VERNOR GENERAL'S VISIT

Our friends have rebuked us for

mentioning the Governor General

remotely visiting Upper Canada.

In the friendliest feeling towards

us, believing that it would reflect

disrepute upon the British inhabitants

of Canada, were any gross insult to be

done to the Queen's Representative. But

British Whig has said is mere talk

compared with the sayings and

the Toronto Press. The following

which we find in two Toronto papers,

the most filthy that ever was seen,

re-published it in Kingston for the

showing up such language and

acts in their true light. No one

can possibly conceive that

Elgin in the slightest particular:

HAN TORYSM UNVEILING

ITSELF.

(From the Examiner.)

Wring placard printed on a large

extremely put up throughout

the night of Saturday last. If a

boldly plied its power in the

line and degradation than the Tories

it already does by setting con-

fusion and disorder in their

affairs.

PROCLAMATION!

BY TESTS, O! ISRAEL!"

By City of Toronto—Britons of

Home District!

rank nob is he permitted to tell us

that they will drive the

last nail into our

country?

It is a

proclamation which disgraces his

country, which disgraces his

Government, which disgraces his

Country, which disgraces his
