THE ROYAL CANADIAN INSURANCE COMPANY.

Authorized Capital \$5,000,000. THE present rates for Fire Insurance throughout the Deminion (the result of combination among the various Insurance Companies) are, it is believed, not only excessive, but un-

ecessary; and however severe the losses to those Companies may have been in the late cala-

mitous fires in Chicago, Boston and other cities in the United States, the losses in the business of Insurance throughout the Dominion, does not warrant the great increase which has lately taken place in the rates. Such being the case, this Company represented by the wealthiest merchants of the Domin-Plain and Coloured, consisting of Religious, ion obtained a charter during last session of Parliament, and are now prepared to do business For at moderate rates. The promoters can with full confidence rely on the citizens of Kingston. giving this Company a liberal support, the directors pledge themselves that in the event of loss claims will be settled in the most liberal manner, and risks will be taken on their merits
