The Daily Aews.

MONDAY EVENING. SEPT. 29.

The Whig of Saturday last endorses the p Parliament at that time :

in italics. Now this proves nothing whatever; because, the very address from which

coincidence, that it so happens that the so called facts are both disputed and Delegates were present. Among the latter was vices, Mr Sanderson gave a very interesting at Parliament is to meet in exactly ten challenged, and that "the High Court of Secretary Fish. The Bishop of Pittsburgh was sermon on the word "Hate," dividing it into weeks from the time the Governor-General Parliament" have another alternative than present. In his charge Bishop Potter suggest. four heads-Heaven and Hell, Angels, Time, delivered the address to the deputation, that mentioned by our contemporary, and ed some movement to do honour to the memo- and Eternity. To each of these heads he and it concludes, that because ten weeks that is, to throw the Bill out—to declare ry of the Bishop of Winchester, of whose gave a practical application, and urged his was mentioned by him as the probable by a majority of the House of Commons character and splendid career he spoke at great young hearers to try to get to heaven and length of time that would elapse before that Mr Huntington's charges are un length. Parliament would be called together, founded. We know that "Reform- Removal.—The Beaver states that the Napange Dye Wood Works and the Rubben that they may be fitted to live in eternity. pledge." This coincidence proves nothing result of the coming session of Parlianment Gananoque. The reason for this change is at all in favour of the Whig's position. The will be the defeat of the government. It that there is not a sufficient water-power the will be held this evening in Sydenham Street Governor-General did not mention ten is not the first time, however, that they whole year round sufficient water-power the whole year round will be held this evening in Sydenham Street Church, when addresses will be delivered by months or ten weeks." So that if Parlia- blasted, and we are very much mistaken ment had been called for any other day with- they do not have to pass through the same in these dates his pledge would have been trying ordeal once more. equally fulfilled. Of course we cannot know what took place between Lord Dufferin and his advisers when in consultation proceedings before the Royal Commissioners

deputation was defending the course he Commission on Saturday excepting the The admission is 25 cents. It is reported that saw fit to pursue in accepting and being Commission on Saturday, excepting the The admission is 25 cents. It is reported that guided by that advice. Acting upon that confirmation of Mr Abbotts deposition. advice he prorogued Parliament; acting upon that advice, in his speech from the Throne he announced his intention of Ontario purposes (D.V.) holding a General appointing a Royal Commission to inquire Ordination in Belleville, on Sunday, Nov. into Mr Huntington's charges; and 9th. Candidates are requested to present in town attending to his official duties, woracting upon that advice, he an- themselves for examination on Wednesday, shipped at St. Paul's Church yesterday at Parliament together at the earliest pos- si quis and testimonials to the undersigned, on absent in Europe for the summer, returned on b sible moment to receive the report of the or before Nov. 1st. -Hy. Patton, D.C.L., Saturday afternoon in excellent health. Commissioners. In calling a meeting for the 23rd October, therefore, we contend that Lord Dufferin is only fulfilling the promise made by him will begin on Wednesday at 3 o'clock. Profes-would preach in Wellington Street Church, Montreal, would preach in Wellington Street Church stating what was put into his mouth by his advisers. This announcement shows what advisers. This announcement shows what the intention of the Gevernment was, i.e., as regards new students this year, are thought
