A TEMPERANCE ODE. Ye friends of moderation,

Who think a reformation,

Would benefit our nation

In every rank and station

Of which your observation

Gives daily demonstration

Who see the ruination,

The cause of degradation

Who deem intoxication

With all its dissipation

Or moral renovation,

Distress and desolation. The open violation Of moral obligation. The wretched habitation Without accommods tion Or any regulation, For common sustentation: A scene of deprivation. Unequalled in creation The frequent desecration Of Sabbath ordination. The crime and depredation. Defying legislation: The awful profanation. Of common conversation The mental aberration, And dire infatuation. With every sad gradation. To maniac desperation . Ye who, with consternation. Behold this devastation And utter condemnation. Of all inebriation, Why sanction its duration Or show disapprobation Of any combination For its extermination? We deem a declaration. That offers no temptation By any palliation Of this abomination. The only sure foundation. And under this persuasion Hold no communication With noxious emanation Of brewers' fermentation Nor any vain libation Producing stimulation. To this determination We call consideration. And without hesitation Invite co-operation, Not doubting imitation Will raise your estimation And by continuation Afford you consolation. For in participation With this association You may, by meditation Insure the preservation Of a future generation From all contamination And may each indication Of such regeneration Be the theme of exultation Till its final consummation.
