(Continued.)

ment reciting Huntington's resolutions, Sir Hugh's Company and the Interoceanic, but John's resolution, the fact that the Oaths | the Government decided to name their own Bill had been disallowed, and that whereas directors and stimulate an entirely new no power now existed whereby the former organization, which was done forthwith Committee could administer an oath to the majority of the directors of the other witnesses brought before it, therefore a Companies being then left out in the cold. Royal Commission had been appointed, The directors appointed, pursuant to the consisting of the Hon. Charles Dewey Day, 15th clause of the Act, 35 Vic., cap. 71, were late one of the Judges of the Superior Court as follows: Sir Hugh Allan, of Montreal in Lower Canada, the Hon. Antonie Pe- President; Major John Walker, of London numerous

lette, of the city of Three Rivers, in the Province of Quebec, one of the Superior Court Judges of Lower Canada, and James Rebert Gowan, of the town of Barrie, in the Province of Ontario. The Commission further authorized and required that sion further authorized and required that Ottawa; Hon. J. S. Helmcken, Victoria, evidence should be taken upon oath, and B.C.; A. McDermott, Winnipeg; Donald that documents should be produced re- McInnes, Hamilton, and Walter Shanly, quisite to the full investigation and report | Prescott. It is understood that the direcof the matters and statements aforesaid. tors, who negotiated loans and financiered This did not satisfy the Opposition or Mr Huntington's friends and allies; they held success, while Sir Hugh Allan claims that a caucus and unanimously agreed to ab- he was desirous of suppressing the Smithsent themselves and refuse to appear McMullen correspondence, simply fearing as witnesses. It so happened, however, that the publication and discussion of such that nine-tenths of the names mentioned | would injure him whilst negotiating with by Mr Huntington as witnesses were sup- British capitalists. He asserts that on the porters of the Government, and willingly 24th of October, 1872, he wrote to Mr Mce Fall responded to the subpoenaing process. The Mullen, using these words: "In any cas-Opposition claimed that the Commission the Government (before letting the conwas "an usurpation of the rights of Parlia- tract) seemed inclined to exact a declaration ment and had no right to exist." But it was that no foreigners will have, directly, or created under a Dominion statute, and the indirectly, any interest in it." And Sir Committee formerly appointed was de facto dead prior to the Royal Commission being issued. Therefore, in that particular, the Opposition were certainly astray. The Commission were certainly astray. The these sums of money were paid to the memcountry now looked not so much to the bers of the Government, or were received question as to whether Sir Hugh Allan, or his by them or on their behalf either directly American partners, had expended money or indirectly." So thus stands the case on the elections of 1872—but rather was while Mr Huntington declared in the House Sir John Macdonald and his Government of Parliament that he asked nothing but in league with Sir Hugh Allan and his the opportunity to prove his charges, and

American associates? Was there an agree-ment existing between Sir John and the "resign himself willingly to the disgrace Government on one side, and Sir Hugh and condemnation which would naturally Allan and his associates on the other, that follow upon failure,"—but certainly his the latter should "advance large sums of witnesses have not connected Sir John an money for the purpose of aiding the election of Ministers and their supporters at the Sir Hugh in consideration of awarding the ensuing general election, and that Sir Hugh | contract to him and his friends, and his friends should in return receive the they have proven, and Sir Hugh and contract for the Pacific Railway?' That that for his own personal advantage and be was the vital question to be decided by the evidence, and upon which the Judges up and thereby benefit his numerous ep were to report to the House. The Opposition represented through the press that this Commission would decide and render partially succeeded in his undertaking. that for this reason they would not bring on their witnesses; but it will be readily perceived by the Governor-General's promise and the text of the Commission that the Judges were simply to investigate and tival. report to the House. Of the investigation Commission has caused many to believe the been kept pretty theroughly posted. Most evidence first without committing themselv of Mr Huntington's witnesses swore posi- and thus be in a position to endeavour to f cively that they knew nothing, good, bad in the links should the House authorize or indifferent, regarding any understanding further investigation; but naught save a R TIGHT BOARDERS can be accommodated with first-class Board and Lodging at Mrs Beel's Boarding House, Wellington Sir John Macdonald and his colleagues Street, opposite St. George's Hall.
