SPECIAL NOTICES.

IN THAT CONDITION OF THE SYSTEM known as "used up," whether the vital forces have been exhausted by dissipation and bad habits, or by protracted mental exertion brain worry and over-work, Dr. Wheeler's Compound Elixir of Phosphates and Calisaya is of extraordinary efficacy. The nervous systom feels its sustaining power immediately, and that depression of spirits which so prostrates and kills, is removed, and elasticity and energy of mind results. It is truly marvelous to witness the rapidity and certainty with which Phosphates supply the waste of tissue and restore vitality to all the organs the body. They are the only medicinal agents known to science that at the same time modify and control diseased action, and furnish material for building up bone, muscle and nerve.
