SATURDAY EVENING. NOV. 1.

One bitterly cold night in the February of 1872, I quitted my comfortable study for the purpose of ensconsing myself behind a scene so utterly at variance with my mood, white tie, and of encasing my person in and compelled, as it were, to drink the bitthose stereotyped sable garments which cry, ter cup to the uttermost dregs. My friends, the Wilkins', were including in a fit of insanity, and the attack, which in the commencement promised to be of a somewhat mild form, gradually assumed graver symptons, until it or missing the control of the redeeming influence of earnestness, and I succeeded with me again and again. I saw the candless snuffed out, beheld the tallow-faced

eminent firm of Tozer and Bulsome had en uttorly different from that which I had pictrusted me. Vainly I declared to Wilkin, tured to myself a few short hours previousupon the honour of a man and brother, that ly, that-I was "out of that sort of thing;" that I had read that particular chapter in the book of ism of the heart? Life clean through ob ovo usque ad mala, and that I was only good for the mahogany; he didn't or rather wouldn't see it, and with a found me seated beside the driver of one sense of bitter injury at my heart, and an of Bianconi's long ears which travel be unmistakebly sense of frost at the tip of my tween Westport and Clifden and, as myself together, dressed hurriedly, and arrived at Harley street in a humour the very connemara. I had, amongst other vows, reverse of amiable, and with the full deter- registered one-that, so soon as circum mination of merely showing myself to Mrs | stances would permit, I would undertake a

perusal of a novel. L'homme propose. The crush had not yet as been well turned on, so my ascent to the drawing-rooms cursion, and that I had one in particular. wts no difficult task. Upon the lobby Mrs. in fact, my heart had, somehow or other, wilkin was standing behind a huge bou- slipped from beneath my waistcoat—had And all the NOVELTIES in TIES, quet which commanded the staircase like a great floral gun. and Wilkin was prowling in the immediate vicinity, with the air of ledv in company with Miss Blake, to her mountain home; and it was with a view of recovering it, and of taking the young a man who had succeeded in losing half-a- lady in question into the bargain, if sovereigh, and was engaged in looking for luck was up, that I was now perched I it as though he wanted it very badly indeed. in air, behind a pair of "roaring gir have come, Freddy told you were doubt- desolate but romantic inlet of the Atlantic ful—all clever men are, but you know I al- known as the Killerin.

ways believe in you, and I look to your aid to make this little affair go of well"

In a happy moment I negotiated with the driver, Phil Dempsey, for possession of the I groaned in spirit. This meant stop-ping until the candles were snuffed out— box-seat, and almost before we had quitted the town of Westport, I had come on close, until the tallow-faced greengrocers were if not confidential, terms with that worthy paid off—until the milkman arrived at the son of the whip. area railings, and until I should be jibed Phil is a crooked, hard-featured, senten-

Irish girl stopping here, a Miss Blake.
Come, and I'll introduce you as a friend of their hopes, and their fears. He carries Come, and I'll introduce you as a friend of mine," observed Wilkin, dragging me, bon gre, mal gre, towards a mass of tulle illusion surmounted by a bunch of white flowers.
