# The Daily News.

TUESDAY EVENING, NOV. L

Correspondence.

TO THE EDITOR OF THE DAILY NEWS. Sir, -- I presume that the teachings, by its minion. After scouring Hants as a Govern-Brockville and Ottawa " utterance, of the acknowledged leading news- ment man; after securing his election by paper of one party or the other, are to be the means of his canvas as a Government man guide for the public as to which are the poli- after promising to give the Government a fair tics of the party it represents. Well, we will presume for the nence that it is so; though the Government has been proved to be corsince I came to the country, some sixteen rupt.

Mr McDonald might well remind him that

In yesterday's Toronto Globe there are two public treasury, and that his asserted high articles so curiously contradictory in their sentiments that I think the organ of the Grits should be made to explain which it intends for the future to be guided by. I refer to two it not been that they were desirous of showing stance and express the same sentiments under chery in his heart, there would have been p different headings, viz., "The Verdict of the Mr Goudge in the House of Commons to dis Commons" and 'The Switches of Political grace the country and to lower the Nova Sc Life," and another one headed "Cant about tia character in the estimation of the Demir Letter Stealing," which expresses sentiments might in the future have won honours by exactly the reverse of the other two. In score, yet in the three or four sentences while "The Switches" we find it thus written :- he managed to stutter out the other day, h "Let us not conceal from ourselves what the painted himself a treacherous hypocrite, OST ON TUESDAY between Chown & NEW BOOT & SHOE STORE. the people at Ottawa. The honour of Canada, public morality, confidence and respect lips, a distinguished member of the Party of Property of abroad—these are involved in the vote which | Purity." He could not endure the ar will soon be recorded." In "The Verdict of But he could manage to consort with let

Macnee & Waddell's New Building. the Commons" we read, in reference to Mr thieves and document-purloiners. It was awful McDonald's amendment to Mr Mackenzic's | in his mind to have a Government who had addition to the second clause of the Address, "We need not again analyze this preposterously illogical proposition. A moral deadness in which every sentiment of indignation for a wrong dore and confined to have a Government who had gained their seats by the expenditure of a certain amount of money—hard cash. But if they had gained their elections by lies, by treachery by hypocrisy, why, then, of course, he would have felt free to join in supporting the Gova wrong done and confessed, must have been utterly extinguished; perceptions blunted by horror-stricken Monson was never perpetrat VALISES long familiarity with that form of corruption, in Nova Scotia. If his constitu which the original amendment seeks to cen- anything like their old spirit left they sure; a callous disregard for Parliamentary independence, administrative purity, and personal honour, alone could propose to the Government; if he had since the election House of Commons a special declaration of learned anything of the interior movements of confidence in men who had committed such last general election that was condemn ap offence as the one of which ministers have the Government, there might have been admitted themselves guilty." Now, sir, 1 excuse for him. But he has learned nothi call that a fine paragraph, splendid newspaper writing, good sound sentiment, provided on- officers of the Crown has been decided in ly the party, whose paper it is copied from, favour of the Government of Canada. do conscientiously act up to it. I doubt that act of that Government of a parliamer last part being so, but that's neither here nor there. We have looked on that side of the fence (on which our friend the Globe is astrad-Colonial officers, far removed from the strife dle), now let us look on the "Cant about Let- and heat of parties as they form themselv ter Stealing" side. Excuse my meralizing, friend News, but it is awful to think how very different a question appears to one who tenable. The Royal Commission has property of the commission of the commission has property of the commission has prope is interested in it and those who are not. Now duced the sworn evidence of nine men you would never suppose for one moment but went out of the country to escape Having the latest patterns from New York

DAY EVENING, at 7:30 o'clock at above was anything but honeurable, honest and other hand it is abundantly proved the trustworthy, I know you would not believe Opposition received aid from United me unsupported by first-rate evidence, with the Railway magnates of the Nor because you see I am not a Grit, nor yet a Pacific, and that these United States McMullen, so I quote you the Globe itself, ists, with their great stakes to play for, ha which says, and I presume it speaks for the turned bitterly from the Government Grits as a party of Purity and Reform: "The the more pliable and less patriotic Ottawa correspondent of the Mail writes as | "ran the Opposition machine." It

was one of the ablest in the debate" (what a control of which Mr Goudge is enamoured was one of the ablest in the debate" (what a purity, which corresponds so exactly with lot of ones of the ablest there must have been in that debate, Mr News. I've seen several quoted as such myself.) After quoting the the Montreal ring of "Reformers"—have the improvement of McMallen to their here. Mail the Globe says: "M. Laflamme as a law. the immachiate McMullen to their h yer would be bound to act for a client, how- clerk, whose honesty they ter ever bad his character, provided he asked him | money till the much-beset youth bet te do nothing dishonorable as a man or as a lawyer. But what is meant by this cry about were personal to Sir Hugh Allan, Mr Norris' procuring the famous letters? was thought, be turned to advante Were not men bound to use all instruments | development of one of the blackest in their power to flash the bull's eye on such ever attempted against the honour, goo and fame of a public man, of whom the guilt as that of selling the Pacific Railway country has every reason to be charter, and to drag to justice such men as with these two records Goudge correspondence was an act of a character as to the other side to stomach much mor high and patriotic as the means used by Cicero | has, it is evident, sold himself to the to circumvent the conspiracy of Catiline; and as | tion. Having sold his constitu

> stealing shows the weakness of their cause, There, Sir, "look on that picture and then tablishment of the Anglican Church BOYDEN on this." If that is a specimen of Grit principles, and the Government at present in power are what they are represented in those articles first quoted from, God help the Do- national church is abominable." minion of Canada, I say, for the political and A special to the St. John Globe se moral state of the country when "on the vote large leading firm of Robin & Co., J. of poor creatures," (I quote Switches again) have, by cable telegram to Mr S. MacDonn M.P. for Inverness County, intimated to that if the Ministry is defeated, they will ence is a stranger, the slaves in the market compelled to withdraw their b place, the stale fish of the shambles, of poli- from Inverness County. The Messrs. F ties, the fate of a great country may some- have extensive establishments along the cotimes depend." Really, Mr Editor, what establishment at Cheticamp, Inv are we to do? by what means can we If the telegram to the Globe be redeem the country from its slough of Des. action shows how much the stabil pond? Why, Sir, according to the Globe the lidity of the Government's commerc Grits are as bad as the t'other lot, for no man of the country.—Halifax Reporter. with a ha'porth of brains reading the "Cant" Does Mr Cartwright hold Sir John A. could disguise from himself the fact of how donald to be a man who would sell his low in the scale of morality the Grits must try's interests for American gold? Let us se have got when such is their apology to the ed. "He (Mr Cartwright) knew somethi public for robbing her Majesty's (i.e., the the deep attachment to the leader public's) mails.

OBSERVER.

decided on Friday, in the Superior Court of he possessed. He was a distinguished Montreal, by Mr Justice Mackay. One Har- | cian at a time when some gentleme per, a travelling agent, embarked at Lachine, supporting him now were in their cradles, in June last, on board the steamer Kingston, some of them not even born. He also acknow-DLACK CRAPES and Company, taking with him three cases man who, in his personal and individual co OURNING Goods. steamer was burned on her trip, Harper losing gentleman, who had rendered good service to New English Oil Cloths 24 feet wide, Oil he sued the Company for damages. The questany man? Let this character, given to ou Cloth Mats, Carpets, &c., and a very large | tion at issue is-are the Company to be re- | Premier by a man who intends to vote aga and complete stock of all descriptions of Dry garded as common carriers, and liable for the him, be acknowledged to be just, as it o loss of Harper's cases of samples. Justice to be, and then put this miserable c' BOYDEN. Mackay held that and paid for the carriage of his goods, and we have no lear as to how nor specially contracted with the Company to of Commons and the country will decide Leader. Mackay held that they were not, as the plain- about bribing electors in the scale again
