Cheerfulness, courage, and great activity of intellect are engendered by Fellow's Compound Syrup of Hypophosphites, and its capacity of imparting power of endurance to the brain and nervous system is shown in its property of sustaining persons through mental ditheulties.

SPECIAL NOTICES.

FIRE attention of those who have been suf. Hutcheson's Auction Rooms, fering for a long time from old complaints that have resisted all ordinary methods of treatment, is called to Dr. Wheeler's Compound Elixir of Phosphates and Calisaya. This remarkable preparation, by promoting the complete digestion and assimilation of took, creates pure-vitalizing blood to restore diseased tissues and supply nerve force to all the organs of the body. It is a specific ! for Dyspepsia in all its forms, Liver Complaint and Disease of the Knineys; and so specialy closes it act, that improvement is irequently manifest the first day of taking it, Being a chemical food, its properties are nutritive, and cannot injure child or adult under any condition of the system whatever.

MAKES THE WEAK STRONG.

The Peruvian Syrup, a Protect-ed Solution of the Protoxide of Iron, is so combined as to have the character of an aliment, as easily digested and assimilated with the blood as the simplest food. It increases the quantity of Nature's Own Vitalizing Agent, Iron in the blood, and cures "athousand ills," simply by Toning up, Invigorating and Vitalizing the System. The enriched and vitalized blood permeates every part of the body, repairing damages and waste, searching out morbid secretions, and leaving nothing for disease to feed upon.

This is the secret of the wonderful success of this remedy in curing Dyspepsia, Liver Complaint, Dropsy, Chronic Diarrhœa, Boils, Nervous Affections, Chills and Fevers, Humors, Loss of Constitutional Vigor, Diseases of the Kidneys and Bladder, Female Complaints, and all diseases originating in a bad state of the blood, or accompanied by debility or a low state of the system. Being free from Alcohol, in any form, its energizing effects are not fol-lowed by corresponding reaction, but are permanent, infusing strength, vigor, and new life into all parts of the system, and building up an Iron Con-
