Tax-Payers who have not paid their City Taxes are reminded to do so at once and save costs.

LENNOX-THE REAL ISSUE. The issue which the electors of Lennox are shortly to try is one which should be easily understood. It is whether Mr Cartwright the "Fossil Tory" who turned his coat from newspaper articles, they seem anxious. base and sordid motives shall be allowed to reap the reward of his treachery to his political friends and Party by being returnwhether they shall send him to the ever, as lively as ever. Consistent hypocrite. right about to join the noble army of bribers, letter stealers and conspirators who have brought disgrace upon the country. It is a momentous issue, which we feel certain the honest electors of Lennox will decide in no uncertain fashion, if Mr Cartwright does not use his money as lavishly as he did in 1867 against John T. Grange. when without the liberal aid of the shekels this new found apostle of reform and purity would have been left at home. The Controverted Election Act which came into force on the first of November may Minister, but nothing else will. No honest road will be commenced in the spring. man can justify his voting for Mr Carthe and his opponent stand. The former Kingston dinner to Mr H. S. McDonald, M. appeals to his constituents in consequence P.P. of his performing a dishonorable act in asthe victims of a villainous conspiracy-men | to them. under whose Government the commerce and business of the country have flourished and prospered to an unpeecedented degree. The latter condemns the iniquity of the Holton-Young-Huntington-Cartwright Party and calls upon the electors as they value consistency-as they value honour and honesty to throw overboard the man who has dealt so treacherously with his friends and his Party. Again, the Governthat the Globe and the Grit's were never | Won't there be a jam ? tired of censuring the Macdonald Government for having thirteen members, contending that nine was amply sufficient to do the liusiness of the country; yet no sooner did the Grits obtain office than they forgot all former professions; not only so, but they actually increased the number to fifteen. If the electors of Lennox approve of this, of course they will vote for Mr Cartwright. past, and executed strict discipline upon sev-In the new Government particular care ap- eral offenders. Fines ranging from five to pears to have been taken that no Irish or | tifteen cents have been levied, and there is a Wesleyan Methodists need apply. The elec- prospect of an overflowing treasury. The detors who vote for Mr Cartwright will of cisions of the court are received with the most course vote that in excluding the Irish and | profound respect. the Methodists the Government did perfeetly right. Mr Hooper is well and favorably known to the electors; among whom he has lived all his life time; they have full confidence in his honour and integrity; he lives among them and has of course their welfare and prosperity at heart; he is no trimmer no hypocrite; he does not seek the support of the electors, for the purpose ham street school, assumed the duties of of making merchandize of it. If the electors chairman. The exercises of the evening conare alive to their own interests they will sisted of several choruses, a duet by Miss enthusiastically raily around him and send Bamford and Miss Tossel, and a discussion on Mr Cartwright to swell the band of corrupt | subjects relating to Sunday School work.
