Administration. Now it would be a curious study to discover | tributary of Lake Huron. He hired seven men how and on what principles Mr McKenzie set as voyageurs, and having fitted them out with to work forming his Ministry. Sir John A. has time and again been accused by Mr Mc-Kenzie of corrupting the moral sentiment of the people by holding to the coalition principle. Sir John saw much to recommend it to his statesmanlike mind. He could not but his statesmanlike mind. He could not but | Murray naturally became anxious about them realize that the demands of the times were for a coalition of men of both parties who were willing to lay aside party squabbles and unite heard that a man had just came down the rifor the purpose of effecting the great work of consolidating, under one Government, the made inquiries as to whether he had seen any. several Provinces which the past policy of the Colonial Office had sundered and kept asunder for a century. Now, with the work of consolidation ended, it surely does not become Mr McKenzie to form a Coalition Government —Mr McKenzie of all men whose bitter or —Mr McKenzie, of all men, whose bitter opposition, even in times when every man saw a coalition to be necessary, is well known.

To proceed up the stream and ascertain what had become of the boat's crew. He found the batteau as described at the landing, and then Yet the principle which he has followed in framing his Cabinet has been the very same principle for which he denounced Sir John A.

proceeded to the shanty or depot, where the provisions were to have been stored. He arrived there at night fall but no sound greeted He has gone to this man and to that, and has him, all was as still as the grave. He lifted sought by every method of delicate bribery to the latch of the door, and as he entered a horinduce men to join him who were branded by rible stench of putrid flesh greeted his nostrils him and his party but a few months ago as "felons" four of whom hold effice from Nova Scotia and New Brunswick. He has applied to Cartwright, a Tory of the Tories, a man tigate the premises. The store house was a permeated with the essence of Toryis n as it was the but without the bunks that are generally most unreasonable, prejudiced, absurd, dog-matic and pragmatic old bundle of crotchets of the fire were visible in the campboose, and that ever visited these colonies in the shape of the only thing unusual in the appearance of nonsensical trappings of that time -Cart- light on one side and commenced to remove served specimen of antideluvian Toryism, Mr grain when a human hand met his gaze and McKenzie-who was so strongly opposed to sent his blood curdling through his veins.

> the pile was undermined, and when the tired Ye he fastens a bit of the "white" or "black" | workers were enjoying their soundest and (whichever you please) in "that tesselated | most refreshing sleep the pile of grain fell pavement without cement," which the Party over on top of them. God alone knows how are fond of dubbing "the Government." soon death overtook them, six of the men did Now these three illustrations are sufficient | not appear to have been able to move, they to show that Mr McKenzie has departed from | were found lying on their backs in a row, with his own principles and has taken up with those | their heads covered. The weight of the grain adopted by Sir John. Jimuel Briggs in one of must have been so crushing that they could his comic papers contributed to the Mail, esti- | not move hand or foot, and they died of suffomates that he and Mr McKenzie had a long cation. The seventh man must have had a interview just after the resignation of the Sir | fearful struggle for life. Lying near the end John administration, and the subject of their of the pile he was not caught with such a conference was whether it was possible to ob- | weight as his comrades. He must have lived tain Sir John A.'s court uniform at half price, for some time after being trapped, and being a 50 per cent deduction for wear and tear and man of powerful frame, he died hard, as was possible non-fitting properties. Jimuel might | evidenced by the fact that he had worked his with fairer show of reason point out how Mr | way upwards until his hand was near the sur-McKenzie has, (after declaring till he was red | face, but his own struggles only hastened his in the face that he would not follow Sir John | death. The bags became torn, and the grain A.'s plan,) gone and taken Sir John A.'s policy | filtering down filled his month, eyes and noswithout so much as saying "by your leave," | trils, and effectually choked him. These were without so much as offering 50 per cent less in effect the facts of the case as related to Mr Rowan, and a more ghastly and horrible inci-Alas such are the inconsistencies of politi- dent we have never heard of. Four of the Williams, who was in Goderich when he heard of the accident, immediately left for the mill. Ottawa Citizen.

> > The Mitchell Advocate denies that it has turned its coat. It will only give the new Government a fair support.
