The Daily Meus.

FRIDAY EVENING, DEC. 5.

MACKENZIE VS. MACKENZIE - COALI-TIONS .- The present Premier said at a meeting, held at Hamilton in March 1871;

dispute. He has always opposed coalitions, however, -at least while in Opposigrossly violated the principle contained in the proposition-that he, the Premier did not strictly select his colleagues from his own Party, it logically follows that he cantheir hypocrisy and inconsistency.

POLICY-THE KNOW-NOTHING FINANCE MINISTER. -In our report of the Hon. R. J. alone feared to face the subject of policy. Cartwright's speech, delivered at the Lennox nomination, we referred to the fact that Mr | the hustings had something to do with the | seems to have been fully exposed to the fury Cartwright, as a Cabinet Minister, had not honourable gentleman's extreme bashful- of the blast. A barn belonging to Donald a solitary word to say regarding the policy of the Government. He pleaded, that time should be allowed them to frame a policy, or of Sir John, whom he knew was to follow which in due course would be presented to ject deceived his constituents, and displaythe country. We felt at the time considerod an amount of cowardise of which we ford was unroofed. A wire fence on the leaving was startled by the grash of one ticence on the subject, inasmuch as the considered him incapable. The Ministers blown across the road, and the telegraph of the ventilators from the top of the building announcement of their policy when the new Ministersappeared before their constituents their constituents, in a vague way, it blown about. for re-election. Mr Cartwright being the is true, that the Government had a policy The storm seems to have been general, and first Minister to speak, it was naturally ex- on certain questions, and therefore gave reports from all parts of the country indicate lars. pected that he would be able to give his those whom they addressed temporary sa- that a large amount of damage has been done. constituents and the country some information as to the intentions of the Government; but he had nothing to say-in fact, he actors of Lennox that he knew nothing of a knowledged that he knew nothing at all policy-that none had been agreed upon. about what was going to be done. He asked | Mr Cartwright's want of candour on the for the suffrages of the electors, but what hustings, viewed in the light of subsequent the claims of the Government of which he developments, was not creditable to him. is a member had upon them he could not He deliberately evaded the question, or else tell, because he did not know. As far as he he was inexcusably ignorant, which we don't knew (and subsequent utterances of other Ministers proved that he knew very little),

Moreover and an a policy and Government as any of his brother ministers

Bro. E. Ball, Tyler.
