The Daily Aleus.

SATURDAY EVENING, DEC. C.

THE MAYORALTY .-- When Mr Cunningham was elected Mayor last year, the general impression was that Dr. Sullivan would be his successor. Since that time the manner of lowing questions in writing : electing the Chief Magistrate has been changed. The people, instead of the Alder- vernor of Manitoba shook hands with Riel? men, will now have to make the choice for An early answer will oblige, as a large bet is themselves. Had our present worthy Mayor at stake. - Yours very truly, consented to allow himself to be again nominated for the position, he would, we are satisfied, have met with no opposition. Without of our citizens. It is to be regretted that Mr *Cunningham intends to give up his seat in the Council, where his business capabilities were so highly valued by his brother aldermen and the citizens generally. At some other time. probably, he may see his way to tender his services to the citizens, either in the Council or in a more enlarged sphere. In the meantime we take this opportunity of bearing our testimony to the able and dignified manner in which he has performed his official duties.

ously signed by citizens of every creed and shade of politics requesting him to allow himself to be nominated, to which we believe he will consent. We entirely endorse the sen timents of our local contemporary in all it says regarding Dr. Sullivan's claims. We are gratified to know that there will be no attempt made to make the election a political one. Dr. Sullivan is a sound Conservative it is true, but he has other claims besides. is the representative of a large class of citiplease. We express the hope, however, that no attempt will be made to introduce anything like religious strife into the contest, should one become necessary. We have yet to learn that a man's religious opinions are a disqalification for holding such a position as that to which we hope Dr. Sullivan will be elected much talked of Protestant liberality. As a representative man Dr. Sullivan has claims on the suffrages of the electors. Of his peron the suffrages of the electors. Of his personal qualities we cannot speak too high-lege newspaper, which was the work of its members, and whose columns were filled with possessing an affable manner, an eloquent possessing an affable manner possessing an a speaker, easy of access at all times, and havtheir work. In conclusion the Secretary
there should be no admission fee charged on quid pro quo for his share in these venports, or eastward to Montreal and the Eastgreat pleasure in commending Dr. Sullivan to the electors. He is too well known for us to evlargefurther on his claims and qualifications. We hope that when the last Monday in December comes round he will be Mayor of Kingston by acclamation, which would be a graceful compliment to our Roman Catholic
