The Daily News.

MONDAY EVENING, DEC. 22.

THE EMBARKATION OF THE BLACK (Correspondence of the Daily News, Dcc. 4) performs on the big drum has no swagger left SOUTH SEA SEAL JACKETS, Doublebreasted, trimmed with Plucked Otter

Pertsmouth, Dec. 4.—By what gauge in him, and who would forego a cubic of his stature to be in trews and among the service shall be estimated the quantity of beer which was drunk in Portsmouth last night, to say nothing of the mountain dew, which is the native liquor of the Scots, whose last ment of the exceptional size and muscular development of the men show to the best advantage. night it was on the sod of Britain | Except | Frederick the Great, the connoisseur in big for the unfortunate defaulters, there was no men, would have found a company after his own confinement to barracks. Colonel McLeod, heart; but although it contains the picked knowing and trusting his men, had told men of the regiment in the matter of stature, them in the afternoon that they might take the other companies, if they do not look quite honour of the regiment demanded that viceable. The out-marching strength is 471 there should be no absentees when the time should come for them to embark. Accordingly the Black Watch did take the evening, and there were signs and tokens about watch-setting time that the evening was not watch-setting time that the evening was not is considerably more wandering of the eyes watch-setting time that the evening was not than is consistent with discipline, construed the only thing which they had taken. But in the strictest sense. There never was a it was not quite all pot-house and beer-shop truer remark than that "there is a good deal work, although those who know soldiers of human nature about most people." Diswill understand how much of this there cipline is an excellent thing, and "eyes was. There was that group in the guard- front" on parade a most proper ocular attiroom which had gathered around Mr tude; but if "eyes right" or "eyes left" will Walten, the Presbyterian clergyman of enable a poor fellow bound on foreign ser-

nine o'clock, nearly the whole regiment had turned out into the barrack square.

The men wearing trews and glengarry va.

The men wearing trews and glengarry va. The men wearing trews and glengarry, valises, and the new pattern unpipedayed belts which have just been served out to Millais read aright this page of the book of Millais read aright this page of the book of them, stood chatting cheerfully in groups, human nature when, in that most pathetic of waiting for the "fall in." Everywhere was all pictures I know, "Ordered en Foreign Serheard the burr and breadth of the Scottish | vice," he limned the two gazing into each accent, for the Black Watch is not in name other's eyes with a wistful, yearning, concenalone, but in reality, a genuine Scottish trated earnestness, that comes so straight from regiment. On the right flank had collected | the heart that it cannot pause or turn aside by the officers, in undress uniform, but for- the way to unlosse the fountain of tears. What midably armed. All wore, belted round a strange medley the scene is of the pathetic the waist, the "Elcho" bayonet, a short but truculent weapon, one edge of which is a cutting sword, the other a fierce, "Adams" and ludicrous! Look at this gallant defender from his company, on the ground that he is a cutting sword, the other a fierce, "Adams" most decidedly drunk. It happens to be one revolver, in a leather case fastened about of those things about which there can be no the waist. One scion of an ancient Scot- mistake. It is the most that he can do to tish family carried, instead of a revolver, a keep on his legs, yet he has got his belts and mighty bludgeon, in the use of which he kit on somehow, and has staggered on to paavowed himself extremely expert. Another rade to take his place in the ranks. He pleads gallant oincer reported that his Ashantee kit had miscarried, but he displayed with an air of triumph a pot of grease, which it as a substitute for the missing kit, as he had been given to understand that grease had been given to understand that grease not suffice to make him efficient, so he is comwas one of the principal articles of attire mitted to the charge of the rear guard, but alpacking baggage into the army service wag- Just as the parade is complete Major

characters that will thrill to the heart of a but also with many a lurch, the absent man Briton who has blood and not ditchwater in of the Black Watch. Yes, there had been o his veins. Every name is like the sound of man absent, although for shame's sake she The "fall in" has sounded, and the confused

groups which had filled the barrack square with so picturesque a mass of colcur, resolve themselves into companies. To the front of kilted band behind them, in that they are bound for Ashantee with their comrades. The band for once is out of conceit with it-Portsmouth, as he read pieces of the correspondence from the Gold Coast, and eyes gleamed with hopes of loot as he told how the Ashantee chiefs wore ponderous ornaments of gold, and how it was reputed that there was much of precious inetal in there was much of precious inetal in the honest sergeant himself, stern and center-Coomassie the doomed. And there was that ed on duty as he appears, seems not wholly quiet-speaking, kindly-voiced Sergeant who indifferent to a little picture, commonplace was taking his evening stroll along the enough, perhaps, yet with a certain tenderness High street, looking into the shop windows, and pathos in it, framed in yonder window in with his little boy in his arms. The little the dull brick wall. It is only a little woman fellow was full of glee, and appeared to look upon the parental whisker as a species of bell-handle, which he might tug at as he willed. He was too young to notice that or to know for what reason it was that his father's hand so often stroked his yellow curls.

The fellow was full of glee, and appeared to look with very wistful eyes and a tremulous twitching about the mouth, who stands there dropping silent undemonstrative tears on the face of the baby at her bosom. But it so happens, friends, that the little woman and the baby are, except the regiment, the only things that the honest sergeant has got to love in this world; and you may have father's hand so often stroked his yellow got to love in this world; and you may haply The "turn out" this morning was set for curious gulp and working of the muscles of the a quarter to ten, but long before that hour threat precede his command, "Right number the parade—ground of the shabby Clarence off!" As the officers take post, it is to be no-Barracks was full of life and bustle. Al- ticed that several of them look desperately , ready, too, long before the hour one had fierce. A truculent and bloodthirsty scowl te straggle and elbow one's way dewn the settles upon their features, and their orders narrow lane which leads to them from the High Street, because of the crowd that already closed it. A strange miscellaneous crowd it was—that it was not wholly a reputable crowd will be easy understood by any who have a knowledge of a garrison over the drawbridge at the Con Whorf? any who have a knowledge of a garrison over the drawbridge at the Gun Wharf? Or . town. Yet in the strange medley there was is it assumed to mask emotions of a very difno indecorum; the sentiment was a mixture | ferent character? There was no ferecity, but of regret, pity, and enthusiasm. At the inexpressible love and tenderness, in the face gate sentries kept watch and ward, and of that gallant fellow, not scowling so, as a only for favoured civilians was there any minute ago he stood, her hand clasped in his looking into the eyes of that lady by the mess-

Kettles, Cemetery or Ornamental Railings of the most recompanied by Castings, Stamped, Plain, or Japanned Tin the mess-room stairs, and the spectacle of the officers of the regiment, who have breakan officer ferlornly and vaguely moving fasted their comrades of the 42nd this morning, about with a bandbox which he could not | and are come now to convey them on board bring himself to throw rway, and which he ship. The pipers strike up "The Campbell's clearly was disposed to retain, was a spectacle for gods and men. He stood chaff from men in a most praiseworthy imperturbability, but when a lady asked him "whether the band-box contained a bonnet" is a momentary block. "whether the band-box contained a bonnet | there is a momentary block. The unfortunate as a present to Mrs. Koffee Calcalli?" he Irish wife of a Scottish soldier has, it would heaved the thing into the waggon, and left appear, parted with him on not the most Two companies of the 42nd had been all tears,"-and with a child in her arms, to quartered in the Cambridge Barracks along | make it up. This she proceeds to do by going with the 100th, and they had to join head- into wild hysteries in the very centre of the quarters before the parade should be con- band, and her screeches and wild ejaculation, guarters before the parade should be consummated. About half-past ten came Major Green struggling through the crowd in the lane, with the report that he had got two companies under way, and that they would arrive at once. It had been no easy task to old, make more money at work for us in their swarmed around them, shaking hands to the whom walks General Rollo, an old 42nd man, spare moments, or all the time, than at any. very last; had shouted "Good-bye, Scottie, who has come to see his old regiment off, and ould chap," till they were hoarse: and had on the other Major Cooke, of the 100th. The finally formed an alley down to the barrack | band of that regiment takes up the tune from gate, in which formation they had cheered | the musicians of the Black Watch, and amidst until they had recovered their voices again. a burst of cheering, the head of the column The band of the 100th had turned out to do honour to the Scotsmen, and was on its way to the Clarence Barracks at the head of the two companies. Presently their was aural evidence of this fact, and then as one looked evidence of this fact, and then as one looked hands for the last time. Flags and handout into the lane, it seemed as if the crowd kerchiefs flutter from the windows, and in it had suddenly gone crazy. In front was | between the guests of cheering you may the 100th band sturdily forcing its way to hear many a "God bless them, poor felthe music of that defiant Border ditty, "Wha lews!" from the lips of women. Opposite the daur meddle wi' me?" The defiance was General's home Colonel Elliott, the Quarbuncome, for the whole lane was meddling with the Scots who followed. The ranks were inundated by a succession of human waves. Men seized hands, and shook them fervently; women were hugging and sobbing as the column slowly staggered onward through its difficulties. But they were conquered at last, and the band draw to one and the column slowly staggered on ward through its difficulties. But they were conquered at last, and the band draw to one and the column slowly staggered on ward through its difficulties. But they were conquered at last, and the band draw to one and the column slowly staggered on ward through its difficulties. But they were conquered at last, and the band draw to one and the column slowly staggered on ward through its difficulties. difficulties. But they were conquered at give their comrades of the line a volley of last, and the band drew to one side as the hearty cheering as they tramp past. On the two companies, marching in fours, strode Common Hard, that historic centre of nautical through the archway leading into the bar- Portsmouth, the crowd is thicker than ever rack-yard, greeted with a shrill welcome and out of compliment to the blacked-eyed from the bagpipes. Then were brought forth | Susans and lovely Nans of the Hard, the from out the guard-room the colours of the | band changes to "The girl I left behind me." regiment, carried by the two junior subalterns, and guarded by the colour-sergeants,
the medals on whose breasts testified that
the sacred charge was confided to no unwor.

As the rear guard presses its way through the
throng that has closed in at the deckyard gate,
there is a heaving and commetion on the
Hard behind, over the sound of which exclathe sacred charge was confided to no unwor- mations rise high in the breadest Scottish thy hands. And truly such colours are in- Doric, "Clear the gate, ye deevils," "Hanns deed a sacred charge to be guarded to the aff," "No, deil anither drap," are some of the very death. On their faded silk is broider- cries we hear; and then we see, battling his ed the glorious history of the regiment, in | way through the crowd with determination
