Britain— (cheers)—may be seen from the the world for 100 years. Whether this Atlantic to the Pacific. The Ministry next ivory region extends across the North said that the first Governor of British Colum- | American continent or is confined to the bia must be a man in whom the people would | country between the Pacific and mountain first Governor (cheers.) He was happy to hear these cheers, and he should not fail to report An important sale of shorthorns took place EXTRAORDINARY PRICES FOR CATTLE. to his colleagues how their Gevernor had been | at Holker Hall, England, the seat of the received by the people of the new Province. It | Duke of Devonshire, on Wednesday, Mr was next decided that the Canadian Ministry Strafford being the auctioneer. The sale should know the new country, its wants, its was a very good one, and some fancy prices capabilities, and its public men, and he should | were paid. Thirty heifers brought no less ever remember with gratitude the day on a sum than 7,273 guineas, or an average of which his colleagues delegated him to visit 2421 guineas each, while the bulls brought British Columbia. (Cheers). He had come 2,236 guineas, or an average of a trifle over here to know their prejudices, so that by discussion he might dispel them. It had been a 303 guineas each. The highest price pleasure for him to meet the most humble brought by a heifer was 1,005 guineas, and man in the country, to hear his wants and to the highest by a bull, a mere calf under listen to his aspirations. The Canadians had twelve months' old, was just a net 1.000 been told that there was scarcely ten acres of guineas. The price of the heifer, "Grand arable ground between the Rocky Mountains | Duchess of Oxford 18th," bought by Mr and the Pacific, and that mosquitoes were so Fair, acting for Earl Bective, is the largest numerous that it would be unsafe for any ever paid for a shorthorn in this country in one—especially a Minister of the Crown—to public competition; and the price of the Of the seven boats taking mackerel in travel through it (laughter). Well, he had bull, "Duke of Oxford 20th," was only Halifax Bay the other day, Mr P. Martin met some of these mosquitoes, they had at- equalled in 1810, when "Comet" was sold tacked him and he was bound to say that they by auction for exactly the same sum had taken his blood—probably to remind him Grand Duchess of Oxford 7th" was bought shed his blood in behalf of his country. (Great | by Lord Penryn for 915 guineas, and "Win laughter). The roads of British Columbia some 2nd" by Earl Bective for 355 guineas. would do credit to those Romans whose works The Rev. P. Graham paid the fancy price Her. Majesty's steamship Spartan, 6 guns, were celebrated in song and history. He had of 610 guineas for "Grand Duchess of Ox-
