A T a Meeting of the Council of the Township of Wolfe Island, held on the 2nd Oct., instant, the following Resolutions were unanimously adopted, viz. :- New FALL Goods,

1st. Moved by Mr Watts, seconded by Mr Baker, and resolved that in the belief of this Council, the Ferry Steamer Gazelle, now plying between Kingston and Wolfe Island, is unseaworthy; and not in accordance with the requirements of law, and the terms of the lease under which said ferry is held. 2nd. TO THE EDITOR OF THE DAILY NEWS. Dear Sir,-In reference to the foregoing resolutions, we beg to state that, for several months past, the feeling has seized upon the public mind, that the steamer Gazelle, now plying between Kingston and Wolfe Island is unseaworthy, and, so much has this feeling gained ground, that many in the township now refuse to cross in said boat. We have borne with this state of things

through a mistaken sympathy for the Lessee. and in hope that the oft-repeated promise of Messrs Kinghorn and Hinkley, that in the fall months the Gazelle would be substituted by a boat at least safe, if not comfortable, In Black Broad Cloths and fine Canadian would be fulfilled.
