"The Bonapartists are very lively and full of hope. I happened to meet one a few days ago, whom I know exceedingly well. He had A correspondent of the London Adrertiser, great influence in the Imperial Court. 'You ful to intending emigrants, concerning the am always here. I have been here ever since vield of grain for the present year, he gives the peace.' 'Well then,' I went on, 'you are a distance of some five miles. The first who What do you mean by the old man? 'I tell from 17 bushels sown, and 72 of barley from back again, 'The Emperor?' I enquired. 'Yes. two and a half sown. The second had a yield we shall have the Emperor.' 'In spite of his of 123 bushels of wheat from six sown and 94 failing health! 'Again, in spite of his failing

lowing the father found the baby still worse; properly in order and make the show a suc- correct idea of the total amount of intoxicating turn."
