K OF SIL

EIVED

Special to the Daily News per Montrea! Line. Chicags, Oct. 8 .- About 1I o'clock last night a fire broke ont in the block situated between Clinton, Canal, Van Buren and Jackson streets, and before it was extinguished four blocks, bounded on the north } by Adams street, on the south by Van Buren, on the west by Clinton ssreet, and on the east by the Chicago river, were destroyed. Only four or five building with- Hotel, the New Bigelow Hotel; and in fact in the limits named remain uninjured. The space burned over was covered with lumber yards, coal yards, wood yards, planing mill, planing factory, and a large num ber of dwelling houses and saloons of the poorer classes. The inmates of many of these houses, startled from slumber, had barely time ty rush out in their scanty night attire or get anything to satisfy their cravings leaving all the household goods to destrue tion. In several instances the children wer hastily wrapped in blankets and quilt real their fall, and thrown from the second window to the ground. When the alarm I for this fire another of considerable was burning on Wells street, Several engines were neces\_ work upen this fire

\$250,000 to \$300,000, half of which is probably insured. As the wind was fresh from e south, the fire spread northward rapid. w, and thence east. In half-an-hour the whole district was all in a blaze. On Jack son street ten houses were eccupied by that families, who lost all they loss on this street will probably not exceed \$20,000. Mrs Margaret Hadley, living on the north side, was burned to ath The fire is now raging in the western division, which appears to be as large ire last night. It will be late before any particulars can be obtained. hicago, Oct. 9, 1:45 a. m.-This night

the most awful in the annals of the city. The fire which commenced at 10 p. m., has already swept over a space of at least three Hayes for relief of the Chicago sufferers. times as large as that of last night, and is The chief engineer with three ster still rushing on with greater fury than has engines has gone to Chicagmarked any former stage of its progress. The fire department is almost powerless. Fire Marshal Williams has just telegraphed to Milwaukie for all the steam are-engines they can spare. The conflagration has already devastated at least twenty blocks, mostly composed of small-class dwellings inhabited by poor people. No less than three hundred buildings have been entirely destroyed, and more than that number of families are rendered homeless. The wind is blowing almost a gal the south, and showers of sparks and The fire started in a row of two storey wooden tenements on Delavan street, 5,75. Wheat nominal at 1,35; for Canada between Jefferson and Clinton, and as was the case last night spread with terrible raag feriously. The entire department was soon on the ground and at work.
