THE EMPIRE OF PRINCE MADOC (From the North American Archaeolo-

gical Journal.) The story of the Cymric rule in Canada take his meaning in reference to its effect in during a time long ere the discovery of imparting superior energy to the mind America by Columbus is at once amusing Where the intellect has been impaired by over and instructive. The capital of the kingdom | work or by kindred causes, the use of the of Prince Madoc is assigned to a place not | Syrup, together with proper precautions in the far from the modern town of Belleville. use of food, clothing, exercise and rest, wil aware of the auriferous ores with which Superiority of genius consists in great capacity STEAMERS :this region abounds, but it cannot be doubt- of brain for assimilating material from every CORSICAN. ed that the vast quarries of iron which of quarter, and of developing in proportion, but late have attracted the attention of capitalists had no little influence in determining . the settlement of this band of gallant ad-

venturers in the country which to this day tute the brilliant genius. Hence, although retains the name of its princely founder. the Syrup will assist in restoring the mind The woodland wilds swarming with cariboo, | which is lost, it cannot change a natural born graceful in form and fleet of foot, furnish idiot into an intelligent man. -Adr. ed game more pleasant to the skill and the appetite of the hunters than the goats of the Cambrian hills. Wood grouse, wild duck, pigeons, supplied to the earthen-pots used in their domestic economy, savory stews, pot pies and soups, to which the wild rice of Rice Lake was a welcome and wholesome addition. The rivers teemed with suckers, bass, pike, mudpouts and sal-Iron was a necessary commodity for the javelin or dart of the hunter and the hook of the fisher. Yet the similarity of name, the presence of food requiring for its the abundant supply of the mineral itself, lor's. Sold by all druggists. Factory, 16 Nebraska, Colorado, Nevada and California. may be deemed to afford slender evidence | Bond Street, N.Y. of the occupation of Madoc by a tribe or clan of the Cymrian race. We are, however, relieved from suspense about the solidity of the base upon which our induction TR. WHEELER'S COMPOUND ELIXIR our stock of knowledge of the habitations | Chemical Food and Nutritive Tonic, because of primeval man. The Red Indian, a wan- | Phosphates constitute more than half the madering nomad, built a dwelling which, cost- terial of the human body, and are absolutely ing little labour, was the source of little essential to the growth of Bone, Muscle and loss at his frequently recurring flittings. without them. Being comclay. Here we see the originals of the log | bined with Calisaya, the Peruvian Bark, the noble peasantry. The past is thus linked | condition of Nervous Prostration and General

of Cymric rule in Canada.

we may follow the clue thus given us by food. their sister science, Archæology. In the legendary lore, mysteriously involved in the nursery rhymes of the English-speaking race we find mercurial propensities attributed to a Cymrian David, Tavit, vuly TAFFIE. It is Business Directory. evident that the rhyme-makers of the nursery have taken an unwarrantable liberty in translating the word Cymri, Welshman. The Kingdom of the Ancient Britons or GAGE, ROBERT, Princess-st. Cymri extended from the Frith of Clyde to POWER, JOHN, Queen-st. the Bristol Channel. The characteristic acquisitiveness of the ancient inhabitants of long separation from the civilized world. There is room for the belief that this national characteristic may have had much to do with the emigration of Prince Madec to Canada. The Norsemen had visited the country, and, great travellers as they were, STACEY, E., King-st. must have spread abroad through England, then a maritime power, the stery of the riches of the new world. What wonder that HOPE, JAMES, Princess-st. it excited the cupidity of a people so eager ROSE, EDWIN, Princess-st. for gain as the Cymri. Of all the families or clans of this people those who inhabited the most northerly portion of their territory were the most conspicuous for their greed. Duns Scotus, the most learned philosopher of his day, bent his acquisitiveness upon the accumulation of stores of knowledge. The wizard of the north was alike REES BROS., Princess-st. notable for his greed of money as of fame. The permanence of family types receives fresh confirmation in what we know of the financial administration of Prince Madec under one Scotus. The palimpsest on which it is written reveals to the Celtic scholar the HEATH & GUNN, Princess-st. lyrical effusions transcribed from the lips of KING, J. GEO., King-st. contending bards at some ancient Eisteddfodd, the elucidation of which would be cf little value. The later record, however, YOUNG, SILLS & CO., Bath. cannot but prove of enduring interest to all who desire to prefit by the lessons which

The substance of the chronicle will be given in our next issue. Whitby, Nov. 1.-Jackson, the late | COUSINEAU, F. X. & CO., Princess-st.

history teaches.

Grand Trunk baggageman at the Whitby GARDINER, R. & J., Princess st. Station, who was apprehended lately for GREENFIELD, JAMES, Princess st stealing baggage at the station here, was MACNEE & WADDELL, Princess-st. tried at the Assizes to-day and found guilty of stealing a silk dress belonging to Mrs. Backas, of Toronto, from a trunk she forwarded on the 1st July last. There are four more charges against him yet, for which he will be tried.

An enterprising resident of British Columbia has started a beet sugar factory on a small scale. It would be interesting to know if his MORRISON, M., Princess-st. calculations embrace the possible contingency of paying an excise duty, as the fear of that has deterred the prosecution of similar enter- BEGG, WM. & CO., Brock-st. prises in this eastern part of the Dominion.

It appears from the petroleum statistics for the Pennsylvannia region for the month o September, that the combination have exerted a most important influence on the production of, and trade in, this article. A decrease in the production at the rate of 487 brls per day ACKERS. JOHN, Stirling. as compared with Sept., 1871, is shown, a falling off in the amount of stock of 46,987 brls, and a reduction in shipments as compared with August of 73,899 brls. By our weekly ROYAL, M. W. Strange, Clarence-st. petrolenm-letter, elsewhere, it will be seen that a large advance in prices has taken place.

-Monetary Times. The succes attending the American demands | GRIGOR, C., Sheffield House, Princess-st. upon Great Britain seems to have whetted the ppetites of other nations. Seeing how calmly the Canadian Fisheries and San Juan have been parted with; the Fenian claims foregone and the "Alabama Claims" "settled," Spain KIRKPATRICK, A. S., County Crown Athas mustered courage to ask John Bull to surrender Gibraltar. Judging from what has already taken place, we shall not be surprised hear that the fortress has been ceded. It will next be in order for Russia to ask permission to put a garrison in the Tower of London .-

The by-law granting a cash bonus of \$10,-000 to the Merrickville and Westport Reilway Company was submitted to the ratepay- THOMPSON, GEO., King-st. ers of Merrickville on Saturday, 19th ult. But two votes were recorded against the bylaw, a fact which shows conclusively that the people are theroughly in earnest on the rail-way question.—Almonte Gazette. WELCH, E. R. & SON, Princess-st.

The Galt Reporter says that Mr Thomas Mottat has several cows down with a disorder which resembles the epizootic in many particulars. They have the same cough, the same running at the nose, and exhibit the same languer. He only noticed it a few days ago, when the cows were in good condition; now they are as thin as if they had not seen food for a month, and their milk has entirely dried

lung fever, common cold, catarrhal fever, and nasal discharge of a brownish colour in horses, may be checked at once by liberal use of Sheridan's Cavalry Condition Powders .-

The season for coughs and colds is rapidly approaching, and every one should be prepared to check the first symptoms, as a cough contracted between now and Christmas frequently lasts all winter. There is no better remedy than Johnson's Anodyne Liniment. For all diseases of the throat and lungs it should be

used internally and externally. -Adv.
