Tax payers who have not yet paid their taxes are reminded to

THANKSGIVING DAY. - As our readers are aware, to-morrow (Thursday) has been set apart as a general holiday and day of thanksgiving for the blessings of peace and an abundant harvest, and we have no doubt it will be heartily observed by the people as it deserves to be. Upon casting ('ity," but he will find himself greatly misa retrospective glance at the past year it taken. The candidates in addition to Mr must be admitted that we have great cause Palles, are Mr Biggar (Home Rule), Mr B. presiding. for thankfulness. The country has been McCorkell (a Conservative on the fence), and eminently prosperous, every department of Mr Lewis (Liberal-Conservative). The re- proved of. business in the Province has flourished; we doubtable John Rea wished to introduce himhave dwelt in peace and plenty, and we self at one time to the notice of the electors, have had an abundant harvest. What so but we fancy his numerous incarcerations in suitable or proper then as that we should publicly unite as a nation in acknowledging the source from whence all this goodness has been poured out upon us. would be very desirable to appoint a fixed day in every year as "Thanksgiving Day," so that the people would have a certain fixed time to look forward to, and not as now feel uncertain to the last moment whether there will be a general holiday or not. It tive. It is probable, however, he will be inis natural that the churches should feel duced to retire before election day, as he some timidity in the matter, but it would has not the slightest chance of being elected. just be as easy making a permanent arrangement as it is now. If the heads of the respective churches would unite in petition- been Clerk of the Peace for a great number of ing the Legislative Assembly or the House years, has resigned that office. He is sucof Commons, a fixed day might be appointed | ceeded by his son, John Cochrane, Esq. by Act of Parliament. We need scarcely remind our readers that on Thanksgiving Day the exercise of charity is most becoming and desirable. There are many objects hope his heart will not fail him when b connected with all our churches where an opportunity will be found for the generous The members of the Council perhaps will Christian to exercise this gift to the fullest on their good behaviour that evening extent, and where even the wealthy churl, whose heart is rarely open to generous impulses may find some consolation in con- tively nothing to engage the attention of the which be again urged. tributing to the comfort of his fellow-beings. police authorities these times. The city is That there are many such persons in society is too well known to all who take an interest in any of our public institutions or charities. May we not hope that "Thanksgiving Day" may give them an opportunity of turning over a new leaf, and resolving that henceforth they will live not altogether for themselves.

MR KING ON THE DEFENSIVE. - Mon- vice was read in St. George's Cathedral by the to pass your by-law on Saturday. I day's Globe comes out with a letter from this reverand gentleman in reply to the articles which have appeared in the Mail complicating him in the frauds of the Elgin Association. In justice to the gentleman we print his reply, and while doing so, must unhesitatingly affirm that there are a few things yet requiring explanation. An ex- directed to inform you, that a special meeting pass that by-law. But the cupidity against their insiduous advances. Mr Gallaamination of the charges against him in the of the Provincial Synod will be held by order of some and the ignorance of others her treated of the "Origin and Results of the Mail will show that they embraced two distinct items. One the gentleman has met, but the other yet remains untouched. The are directed to issue, by the 39th Rule of Mail showed by a report of a meeting held Order, will be sent out with as little delay as that the postponement meant an effort to usual votes of thanks were then passed and in Glasgow, the particulars of which were tan that this meeting of the Provincial Synod published in a Glasgow paper and copied is summoned in accordance with a resolut on into the Globe, that between the amount there stated to have been received and the Bishops which has been unanimously adopted amount reported to the Free Church Synod | by the Upper House, may be submitted to there was a discrepancy of \$10,000. Now the Synod.—We have the honour to be, your while it is true that Mr King cannot be held responsible for a newspaper report of his speech, it is none the less true that some explanation of it is required, and Mr King does not even touch upon it. He also denies that Mr McKellar was at any of his meetings except one in Londonderry and one in Edinburgh, and yet the Glasgow paper and the Globe both mentioned him as being at the Glasgow meeting. Here is a point upon which we need a little further light, and we are fully persuaded that Mr King in justice to himself should give us a small illuminating ray.

Millar part of the accusation in his reply, Jackson, Lanark. and some little light is also needed upon this part of the charge. He can hardly deny that in this case, he make a serious oversight, and therein lies the graveman of the whole matter. His accounts of the money gathered for the religious part of the scheme may be all correct, we should be sorry to believe anything else, but we are bound to say that if he can make out as good a case for the second item in the indictment as for the first, he should not let it pass in

that in some parts of his letter he quite city. forgets his duty as a Christian minister. I it in keeping with the gospel he preaches to wa? We should have preferred to he ar a plain christian story, and fewer thrusts at an opponent who in self defence brought charges which as yet remain unrefuted. We becomes the property of the victors. would ask the reverend gentleman alse if he believes his flings at a "sinking administration" are in keeping with the high "sleight of hand" notoriety, entertained a large despatch, received by parties here last evenclergyman. He and his friends have all tiens, in the City Hall last night. His feats William John, which sank a few miles off county Tyrone. been dragged into the domain of politics, and condemn it as such. And yet in the only defence thus far assayed, the politician crops out under the reverend gentle-
