The Daily News.

WEDNESDAY EVENING

BAPTIST CHURCH. - There will be services to-morrow at the Baptist Church at 11 a.m. and 6:30 p.m.

after a pleasant trip to the Old Country, of scandalous outrage on civilization, and is 271. which our readers have enjoyed the benefit evidence of the most inefficient city governin the graphic sketches which he has given us | ment. It compares the small London fire weekly of Ireland and Scotland. Mr Johnson | brigade and narrow, crooked streets and alpassed westward to Belleville yesterday after leys of London, where fires seldom get beneon upon a visit to his brother (Mr William | young the building wherein they originate, to He was received at the station by a number of his warm friends in Kingston, and heartily welcomed back.

THE 14TH BAND. - This band is said to have greatly improved under Mr Rackett's instruction, and will appear this evening on the streets.

of the course of lectures to be delivered this the amount of insurance in London com- son, Z. Comp. L. Clements, H. Comp. G. season at Queen's College was given last night panies upon property in the burnt district Criggan, J. Comp, A. Gunn, S. E.; Comp. by Professor Ferguson. His subject was of Boston is \$2,500,000. succeed it. The infancy and growth of dra- arrived. General Mitre, Argentine envoy. manner. The lecturer unfolded and illustrated the different conditions under which the art flourished in different countries and at different times. Especially interesting was the sketch of the ci cumstances under which Shakspeare's dramas were first presented to the English public. Those of our citizens who can lecture, should not fail to hear the remaining two upon the same subject.

TEACHERS' ASSOCIATION. -The regular meet-Teachers' Association took place on Monday NEW YORK DESPATCHES evening in the Wellington Street School, and was well attended. Professor N. F. Dupuis, President, ably occupied the chair, and resum- | place at the furnishing store of Hickman, on ed his series of lectures on "Zoology." Pur- Washington street, where the walls had suant to appointment Mr Kidd read a paper on | been wrappod in the deadly embrace by the "The best method of teaching Geography," flames and had become weak and tottering which treated of the subject in a pointed and | through the intense heat. At length they instructive manner, eliciting the concurrence fell and three men buried up to the of some and suggestions of others. Subsequent to the debate, the secretary was requested to convey to Miss E. Simpson, teacher of the female department of Johnston Street High School, whose resignation was accepted at the they suffered filled the frightened crowd late meeting of trustees, an expression of the with horror; but at first no one advanced to very high esteem and regard in which she was | their succour. After a few moments too or held by them, and the serious loss occasioned | three men crossed the street to where a porto the profession by her contemplated retire- tion of the wall was still overhanging the ment. Mr Metcalfe will deliver an address at spot where the victims were begging and the next meeting on "History; its study." The | shrieking for help and tried by the utmost manifold, and cannot be over estimated. Similar organizations have been inaugurated throughout the Province, and are found to produce the most beneficial results.

horse disease has apparently passed in this city, as was shown yesterday. The day was of pain and with cries that will ring in the Oct. 10. damp and rainy, but only a few horses were obliged to be taken off the streets, and business was not in the least interrupted. Reports from the various stables are to the effect that all the animals which are properly cared for are doing well.
