In explaining the educational part of the work, I stated my object was to place the schools of the mission on a permanent and efficient basis, and for that purpose eight thousand pounds would be required, which I proposed to be raised by subscriptions to be paid annually to the Treasurer of the Church in Toronto. At that and subsequent meetings, both in Ireland and Scotland, subscriptions were raised by persons ap-Treasurer, who transmitted the sums, when funds were collected until he saw it stated in gathered, to the Treasurer of the Church in | the Financial Report of the Treasurer of the foronto. These subscriptions amounted to five theusand dollars, besides six hundred dollars a year of an annual contribution from the Irish Church. A few years ago, when the church was built, the sum Two thousand seven hundred dollars was

the Treasurer. My object in visiting Ireland and Scotland was not so much to raise funds at that time, as to give information with regard to future operations, and to enlist the co-operation of Christian and benevolent men in the scheme of planting Christian colonies on the settlers themselves could pay for them ne favour. But these schemes were all sudthe destiny of nations, had decreed that "1, W. A. Thomson, do solemnly swear slavery in the United States should come that it is bona fide my intention to become a right-thinking men could see before it giance." the trumpet of jubilee, but by the roar of | don Free Press. cannon. Both the North and South had sinned deeply in the matter of slavery, and without the shedding of blood there could be no remission of sin. It was not until

the capture of Richmond its overthrow was complete. This gave not only a death blow follow upon the abolition of the Court; but CLARK, F. M., Wellington-st. Spanish and Portuguese, West Indies and Brazil, where slavery still exists, learned lesson, from the civil war that had ended i freedom, to put their house in order by adopting measures of gradual emancipation, thus depriving the slave trade of a market for its victims. What has all this to do with the charge of misappropriating the funds? Ep. News.] Such was the work in which I was engaged spoonful of treacle, half a pint of water, a few DUPUIS, THOS R., Princess-st. in my visit to Great Britain and Ireland, to drops of vinegar or any other acid, stir it well, EVANS, H. B., Princess-st. aid in adopting plans for the overthrow of and scatter a pinch of powdered ginger or JARVIS, J., Wellington-st, the slave trade and slavery, which have now other spice, even pepper, on the surface, happily come to an end. What part had Mr drink it up, and say is it not as refreshing ERLY, L. J., Princess-st. McKellar in that mission? None whatever. as beer at an ale-house. We cannot say it is. COUSINEAU, F.
