The Neap Reef-A Christmas

BY MRS. PARR, AUTHOR OF "DOROTHY FOX!" It was the day after Philip's return, and by three e'clock in the afternoon Marget Clothing. ment and expectation. What could be keeping him away? Semething very imporof the truth ever crossed her mind. By very early hour she had finished her house. | work, dressed herself with more than; her seat at some little distance from the cottage, where she sat waiting with nervous anxiety ments. for her lever to make his appearance.

Never before had she pulled the twine of her netting into such inextricable knots. never had she felt such impatience in undoing them. At length her fingers made a sudden step. She hears a step-sees a shadow-looks up-and Dick Barry is it

standing before her. "Oh! is it you, Dick?" and if a hope still ingered in poor Dick's breast, the look and tene of disappointment crushed and banish Marget. But, there, I suppose I mustn't expect much new he's back," he added bit-

Margot's nerves were too much on the strain to permit of her taking anything DRY GOODS with Barry for not being Philip, and y; besides she felt vexed and angry. woman-like, was inclined to vent her die pleasure on the innocent object who had ilsappointed her.

You may expect as much as you ever med a starp voice; "You know I mean Phil Lee, Marget." We never managed to put up our horses together yet, and I'm doubting if we shall get, on better now. Leastways I'm sure I shan't if you don't stick by me." There, there, forgive me if I spoke held out her hand to him. "I de feel very

cross-tempered to-day," and she gave Dick divining the probable cause, saidover, for nobody's set eyes on him in the village. Have you seen him down here yet? Marget shook her head "Do you know if he came last night !" . w

"Yes, he came, cos I met one er twe Dick did not say that his principal inform he had been unduly riling Philip and east-Margot, he had—certain of finding Philip of setting all square at once. As it was, he hardly knew what to do; he never intended letting Margot suspect that there had been any banter relative to her among the free quenters of the village ale-house; still by wanted to give her a hint, in case Philip should betray any jealeusy; so he went on

say to Lee that you and grandfathe both took me by the hand, and helped to get quit e' some old chums who were rather too much for me; and-and that hoped his coming home wouldn't make any difference, and that we should sall skeep friendly, the same as we've bin since he'susby

exclaimed Margot. "I wonder what is keep this morning, and new it is nearly four books o'clock. Where can he be?" could jealously mark each look that flitted across her face, watch every mevement of her lips as they framed the words which he strove vainly to hear. merning he had been wondering what h

should do, and how he should act. Atte moment he would determine not to go no the cottage for days; he would let that as she could do without him. do without her; then he was for Barry, and having it out with other time he would start that to listen to the damning evider Margot's faithlessness, which his kept quietly dropping, was more than t could bear; and finally these marration Mrs. Lee's so maddened him that he detario mined to seek Marget and tax her with he heartlessness and infidelity. Filled these bitter thoughts, he hurried down rugged path, every jutting stone and share turn of which was familiar to him, and forced him to recall the times without no ber when he had hastened, joyful and light of heart, to meetings very different from the one he was new seeking. These happing pier memories gradually seftened him, and a growing tenderer by the time had a single between the second s growing tenderer by the time he gave the final-jump, which brought him clese to back of the cottage, a great pertien of anger had vanished, and had given r

she did that all his heart and love and b lay in her keeping as usual its occupants were not willing to answer his summons. Well, that gave him neither anneyance nor surprise. Most likelround the rock, which gave its pr find old Dutton busily employs seated on the edge, would bechattering te him her tengue running and her finger flying as she made the coarge nets which her

her how she could treat him so, knowi-

While Philip had been absent, his imagination had brightened many a dark night by recalling the pair, who formed the principal figures in a far more pictures que scone that even he realised. Familiarity had made him

indifferent to the grand beauty

"And Philip will be the first to say Yes, "has be
