### The New Canadian Weekly. In "THE FAVORITE."

The Best and Cheapest Paper

### 16 pages WEEKLY for \$2 per annum.

THE "FAVORITE" PLAN.-We have planned out a paper which gives more reading for less money than any paper We propose to urnish a better. fuller, more interesting, more carefully edited paper, at \$2 per annum, than any imported paper which costs you \$3. While giving the preference to Canadian productions, we will give, from advance sheets, the best stories published in England and the United States. We will have the latest and most interesting items relative to the Farm, the Garden, the Jousshold, Scientific and Literary intelligence, a column of Wit and Humour, &c. Get a for one. It will be sent free.

"THE FAVORITE" SHAPE .- The elegant 16-page quarte form we have adepted while more convenient for reading in sheets, is also better adapted for binding, and contains fifty per cent more reading matter than the unwieldy 8-page folios heretofore in vegue At the year's end, each subscriber will have a of 832 pages, centaining the equivalent of at least 30 fifty-cent volumes at a

### ONLY TWO BOLLARS.

"THE FAVORITE" ISSUE .- "The Favorite" will be issued :-In weekly numbers of 16 pages at 5 2. In monthly parts of 64 or 80 pages, in a handsome cover, at 20 cents. N.B.—Subscribers at \$2 will be served with specify that they prefer the monthly.

"THE FAVORITE" MAXIM. — Canada for the Canadians-whether by birth or adoption. Let us help each other, if we aspire to be a Nation. "The Favorite" is a genuine Canadian enterprise, -Canadian in its concep tion, its plan, its execution, -written, edited printed by Canadians, on Canadian paper, with Canadian type.

GIVE IT YOUR SUPPORT. Club terms and sample numbers mailed free Great cash inducemens to clubbers.

"The Favorite" is sold by all News-dealers and on all Railway trains. Publisher of "The Favorite," the Canadian Illustrated News, L'Opinion Publique.

## The Daily Arws.

THURSDAY EVENING. JAN. 9. Clothing, ginning of every session of the Ontarie even with the advantage of the Collegiate Parliament there is sure to arise an agita- Institute Grant. Te exemplify, last year tion on this subject, and the present time a school with an average of ever two hume is no exception. We observe by our ex- dred, and with less than forty in Latin and changes that petitions are already preparing less than ten in Greek got nearly \$3,000 in in some places, to have the trustees elected Gevernment Grants, while another school by the pepular vete and not as at present, which sent four young men to cellege, three appointed by the various Municipal Country to the Law Seciety, and three through the worked well, not one single fault has ever see that in such a case as this, am injustice been urged against it, and why such a pelicy is done, and that too of the mest crying should be advecasted in Ottawa is above all kind. But the one was a union school, and comprehension. It is a fact well known to the other was not, hence the difference. everybedy that the duties of High School To give relief in these cases, eught to b Beards are extremely light, and in fact, effort of the Legislature. A loud cry of except in case of any public improvement | rejoicing was raised new nearly two years of a permanent nature in the building or its when a second Inspector was appointed. It was declared that at last justice would be DOLLARS an object of very high ambition. There is | done and pay according the further danger that in throwing the ensue; but the two years have passed, and as yet the good school suffer, can it be office epen to the popular vote, men of as yet the good school suffer, can it be wenability to understand and appreciate the dered at that some of them should GOODS work required in the school would not come heart, and embrace the only possible method forward to selicit election, and as a conse- of increasing their grant? The laws of quence men of less ability but more cheek luys in this case are noterious, and noth would seen foist themselves into a place yet appears to be doing to alleviate the where they must either be content to draw complaints of these who in much difficult

blind on every possible subject.

We see that a great deal is said in journ- liltimate justice. als discussing the subject about the evils attending the admitting of pupils into the remove all injustice, a new effort is to High Schools, and that this admission is in | made to revamp the old laws upon the sub many cases a mere farce, but a serious one lect. Two years have made no change or for all that. But we have seen, no paper, the old system, and if hope is deferred two so far, touch at the real remedy for the years lenger, few if any, of these who have abuse, and there is one near and easily act berne the burden and heat of the day, with cessible. The simple plan is to sever the reap much benefit from the change. connection between the High and Public | we have full confidence that the House TWEEDS (ALL WOOL) from 40 cents, Schools. We believe we are correct in endeavour to meet the difficulti saying that in every case where such union situation, and give them a practical exists, the Inspectors have invariably found tion, and if they can do so in such a many the examination questions and the stand- as to bring immediate relief to the ing generally much higher than where the which are suffering frem the present union is at work. And the reason is plain. Hicioncy of the law, they will confer a Where such unions exist the High School favour, and at the same time remove many Public School, and every pupil, whether he wills or not, the moment he is ready for the senior form must enter it. And if this were all, it might be well, but the moment a boy leaves the High Schoel class, a successor is at once sought; and, suitable or not, he must enter the schoel, because his presence represents an easily ascertainable were found skulls and bones

> at of the privilege of remaining at the Public. material. Schools, but such is impossible in the case That is always the way with those things. of these unions, for there is no senior form | Everything they find from the Cardin plant to where they exist, that being monopolized the above discovery is only a means of to by the High School. But disconnect them, ing to the desire of being law little by and immediately those only who really de. Well, why not ? If men can feel big by con sire a High School education will avail templating these prehisteric giants; but all themselves of it, and the competition between the two will result in the utmost good to the educational training of the children. But whether these unions are dissolved or not, certain it is that something must be done towards previding uniformity in the admission of the pupils. The regulations admission of the pupils. The regulations such remains being foundly there must of last August were admirable, but failed to many a skeleton of the noble red man carry that weight which their importance dering in long lost compteries in but west deserved, in the effort of the Department to world, but instead of exhuming the on the centralize all the decisions upon the work of the noble Algonquint or nother have in of the Inspectors.
