Mr Lowe furnishes us with an example

Party, that they are to oppose and impede every possible manner measures while they are in Opposition, and pass the same while they are in office; thus declaring, in the most clear and significant manner, that whatever importance they may attach to their principles, they attach a great deal more value to

principles to the winds. but a perusal of the speech placed in the Lieutenant-Governor's mouth vesterday the Grits of Ontario, certainly affords an ex traordinary illustration of Mr Lowe's remarks.

All that Mr Sandheld Macdonald initiated they abused. In office they are but slavish herd of imitators, largely carrying out the policy of their predecessors, and stultifying themselves at every step they take

ENED OUT OF MATRIMONY. Not many days ago a foshionable up-town | ciating yourselves." rectory was visited by a charming young lady who, with a face suffused with blushes, informed the reverend divine that she contemplated entering into the hely bonds of matri-

had called to arrange the preliminaries of their marriage. The minister, it is scarcely necestheir appreciation, the sum of \$11.25. sary to say, was somewhat taken aback, but the confused fair one presented a license made out in due form, and at once proceeded to a discussion of the all-important step. The day and hour for the ceremony was fix-

ed, and promptly at the appointed time the young couple arrived at the clergyman's residence. Rumours of the union of course spread and at the moment agreed upon probably a dozen er two of the curious had assembled the tabernacle. The candidate for nuptia' honours remained in a sitting room of the rectory, which, by-the-by, is in the immediate vicinity, of the church, until the final preparations were made. The minister donned his surplice, and repairing to the church, nounced himself ready.

Several minutes elapsed, but the wedding party did not appear. The audience became impatient, and at length even the clergyman felt constrained to repeat his admonition What was the surprise of all when the returning messenger announced that the bridegroom positively declined to enter the church. minister visited him personally and rebuked him for his apparent lack of decision, but expostulation was useless.

The unhappy youth had no objections to the nership. silken bend, and were the fastenings adjusted in the rectory, it might be done instanter, but | tisement of a lottery scheme under the name

people, was impossible. The minister was equally firm, and stated a Masenic Temple at Omaha." This is propositively that the ceremony must take place | nounced a fraud by a Masonic circular issued in the temple or not at all. After many tears at Omaha. In addition to the fact that loton the part of the bride, and earnest protesta- teries and gift enterprises are strictly forbidtions from her timid lover, the serrowing pair | den by the Grand Ledge of Nebraska, the cirdeparted, and, if rumour is to be credited, cular states to the Fraternity and to the pubthey still remain in a state of single blessedness. - New Orleans Times.

THE REMEDY FOR LOW PRICES. wholly unauthorized to receive any money on behalf of the Masonic Guild or Fraternity of previously by Drs. Evans and Maclean, one writer tells us to raise large crops. P. T. Quinn, in his "Money in the Garden," speaking of petatoes, says that by raising 200 bushels per acre instead of 100 (more Orange Street, St. John, N. B. ,1869.—Mr than the present average,) the increased Fellows-Sir: I am bound to award the palm value in the United States of this crop alone of merit to the preparation of Hypophosphites would amount to over \$75,000,000 a year. discovered by you. I had occasion to use it K Store, Princess Street. Now every ebservant farmer knows that myself in a case of Aphonia, which would not large creps throughout the country mean yield to regular treatment, and am happy to low prices, while small crops mean large and say, it proved to be all that you claimed for it, paying prices. Witness the present corn having acted with expedition and entire satiscrop of Illinois as proof. With small crops of hay for the past three years, farmers have cleared more money than they did previously with large crops. Now I am no previously with large crops. Now I am no advecate of slevenly culture, to decrease

the amount raised; neither do I believe in per cent, of his hired help, and put all his etlds, so prevalent about town just now. labor on the part he cultivates. This 25 Adv. per cent. of labor thrown on the market liability of help is a greater fault than its any one. -Adv. high price. By working less land, expenses will be diminished. By working it better, the amount per acre will be increased 50 per cent., while, though we have pound, thus ading 50 per cent. to our gross to those creps which, in the long run, he
