SPECIAL NOTICES.

THE Stomach and its derangements are the common cause of most of the Chronic Wasting Diseases for which invalids are constantly seeking specifics. When the food is imperfectly digested and assimilated the blood becomes impoverished, and all the organs and tissues of the body debilitated by want of neurishment. This general depravity of the system manifests itself in some constitutions by disease of the Lungs, Heart, Liver Kidneys, and in other by Scrofulous enlargement of the glands, eruptions of the skin. ulcers of bone and flesh, spinal weakness, irregularities, exhausting discharges, nervous restration, mental anxiety, neuralgic and rheumatic pains, all of which arise from depraved nutrition. To invigorate the Stomach and perfect digestion, and the formation of healthy Blood Dr. Wheeler's Compound Elixir of Phosphates and Calisaya is of great officacy and reliability, being harmless to infant or adult, and prompt and permanent in its effects. Sold by all Druggists.
