WEDNESDAY EVENING, JAN. 29.

CITY COUNCIL. The Steam Engine Question. City Council was held in the Council yet to be undertoon, before the system had Chamber. His Worship the Mayor, H. Cunningham, Esq., occupied the chair, and the fellowing mambers were present. The fellowing mambers were present.

the fellowing members were present: relative to buyin the engine at Mentreal: Aldermen Allen, Carson, Chown, Green- and concluded his speech with the sentence, field, Harty, Kinghorn, Livingston, Met-

day of last week, and on the preceding That, he said, was the sum total of the transnew station. Soon afterwards a costoms' Moved by Alderman Sullivan, seconded by official seized her fer duty, on the non- Alderman Greenfield, that this Council, have payment of which the engine was locked ing heard the information of the chairman and ap, and the keys taken possession of by deputation who purchased the engine which that officer. To permit of a public exhibition, however, of the machines capabilities, he had furnished security to the Collector of Customs, and regaining its control handed it over to the management and charge ed it over to the management and charge Alderman Price was sure that some misunof Mr Jakemen who came expressly to the derstanding prevailed about the duties, as it city to conduct the test. He said he re- appeared that all the members of the deputagretted exceedingly the unaveidable absence | tien coincided in the opinion that the engine of Alderman Drenuan, which was caused by was to be delivered in Kingston free of the serious illness of Mrs. Drennan, but he charges. (the Mayer) called upon him and obtained a By consent of the Council Mr Jakeman, the minute of the arrangement decided upon engineer, detailed the nature of the accident between the committee and Mr A. G. to the "steamer" on the day previously. He Gilbert, the agent, at the time of the purchase at Mentreal. The terms of the purchase were, in substance, simply these, that the engine was to be delivered in Kingston in good order and with certain extras, specified in the committee's report; that her price was to be \$4,200—one-third cash, one-third in six months and the help.

Alderman Chewn felt doubtful on this quickly removed the broken pipe, and the enissue. He was under the impression that the engine was to be frost-proof—to be invulnerable to the effects of the coldest invulnerable to the effects of the celdest ing the duty, he said, that he thought the of the pipes of the beiler burst from this weather and Sons were regulated exclusive of

of duty claimed?

The Mayor-Fifteen per cent on the invoice Alderman Price-That will be \$630. Alderman White thought it remarkably strange that the committee went to Montres and purchased the engine without some writing; such was a loose transaction to say the least of it. Have the committee nothing to say about the connections which belonged to the engine? What did these extras consist of and were they all received with the engine? The Mayer read from printed circular the articles generally furnished with the engine by the manufacturers and the addition

Alderman Livingston-What is the amour

Alderman White-In purchasing the engine was the sale effected solely on a verbal guartee? If so who gave that guarantee? Alderman Allen replied that no guarantees er writings had passed between buyer and seller; the transaction was conducted on the same upright basis as characterised all homest business between man and man. The engine was not bought in England, as alleged, but in she was, and with whose performance he ex- insanity by the crime of her son. pressed his satisfaction.
