TESTIMONIAL TO

From the Christian Advocate, Hamilton. At the close of my year's labour on this interesting field, I feel thankful to our great Lever's, Cooper's, Collins', &c., Novels, cheap Master for his continued presence and blessing. editions. Our congregations are large, attentive, and generally prayerful. The people take an interest in the cause of Episcopal Methodism, and do something to sustain it. Amongst other things they have purchased and paid for a splendid new organ for the Church in Mallorytown. The organ is a first-rate one, with five stops and all the modern improvements necessary to bring out perfection of tone. I have not heard any church ergan in this country so like the cathedraf organs of the old country, so powerful yet soft in tone as is ours and one like it in the M.
