The death of Lady Duff Gordon was announced in London on July 17. Her Ladyship, who wielded an easy and agreeable pen, was one of the best known writers on Egyptian life and scenery. Lady Duff Gordon had long been consumptive, and, as the relief and convincing evidence of its restorativ atmosphere of the Nile proved conductive to | power upon trial. her health, she took up her abode near the First Cataract. The Prince and Princess of Wales recently visited her kiosk.

A number of writs of habeas corpus have lately been issued in this city and elsewhere, in behalf of persons alleged to be imprisoned in lunatic asylums on false charges of insanity. Within the last year, quite a number of persons falsely and foully dealt with in this direction, have managed to procure their release from imprisonment. In some one case we should like to see the parties who have thus wronged their victims properly punished.— N. Y.

The fluctuations in some of the leading stocks which form the staple of commodities dealt in by the Wall street fraternity have been in usually violent of late--remarkably so for the summer season, when there used to be a general suspension of active operations. A rise or fall of ten per cent a day is nothing unusual nowadays. One successful speculator, who is supposed to have gathered his sagacity while on the floor of Congress, is said to have made half a million on Central within the past month. -N. Y. Herald.
