WEDNESDAY EVENING, AUGUST 4

SEE FIRST PAGE.

It is expected that the Legislative Assembly of Ontario will be called for the despatch of busin as in time sufficient to enable the session to be prorogued just lefore the Christmas holidays.

The western journals have begun to advocate the removal of the American capital from Washington to a Western city nearer St. Louis the idea of the removal of the capi- approved and adopted. tal to that city has become an infatuation. We should imagine there is no likelihood of a removal for many years. There are so many public buildings in Washington, so many monuments and associations connected with the history and government of the country, that the Americans generally may counted on as likely to favour the continuance of the capital in the originally selected spot. The matter is one which has a minor which it is located. interest for the British government, which residence of the British Minister and legasuch a purchase that Washington would soon cease to be the capital, we may be sure it would be deferred.
