RESOLVE AT ONCE TO

THE ORIGINAL CHLORODYNE, invented by R. Freeman, Pharmaceutist, is allowed to be one of the greatest discoveries of the present century. It is largely employed by the most eminent Physicians and Surgeons in hospital and private practice in all parts of the world. It has effects peculiar to itself, and which are essential y different to those produced by the various compounds bearing the name of Chlorodyne, but have no pretence to possessing its virtues. rapidly relieves pain, from whatever cause, al lays the irritation of fever, soothes the system nder exhausting diseases, and gives sleep with out producing any one of the unpleasant feelings so commonly arising from the use of opiates. It continues to hold its unshaken position in the

estimation of the Profession as the best, most reliable, and cheapest preparation. Eminent and scientific Physicians made affidavits that they have tested its effects in careful comparison with those of "DR. COLLIS BROWNE'S CHLORO-DYNE," and deposed to the facts that they THE LONDON QUARTERLY (Conservative found it a more certain and reliable preparation, THE EDINBURGH REVIEW (Whig). and greatly preferred "FREEMANS."
