Our congregations are large, attentive, and generally prayerful. The people take an interest in the cause of Episcopal Methodism, and do something to sustain it. Amongst other things they have purchased and paid for a splendid new organ for the Church in Mallorytown. The organ is a first-rate one, with five stops and all the modern improvements necessary to bring out perfection of tone. I have not heard any church organ in this country so like the cathedrai organs of the old country, so powerful yet! soft in tone as is ours and one like it in the New Connexion Church of this place. with the Grand Trunk Trains and in size and regularity of attendance in the conmers, meeting the 6:25 A.M. train for gregation since the organ was obtained.
