Our friends to the North West are so enger for the commermentum of the British American Pacific Latimax wherein is become Amended, Admirate Marcella armentacións a tam collector marcel Workshipping of priferon, month from a discourse out on a tile AMBRELL SEL JAMES AND THE PARTY OF THE PARTY The day of the contraction of

rental of \$600 a year. For particulars see of the Corps Legislatit as the British jesty and Indian passed down, and the Georgian pr hand bills, or call on J. Bawden, Solicitor, Ministry is in the hands of the House up yesterday, all touching. OLD, Silver, and American Money bought now solemnly guaranteed, have been accept ed as a great boon in the interest of popular representative government. All doubts as to the sincerity of the Emperor in proposing these reforms must now give way. The Em peror's failing health and the necessi y of establishing the throne for the Prince Imperial will doubtless lead the Emperor to make fur ther concessions should they be desired
