The editor of Macof agrarian outrage is presented in the murder of Mr Hunter, a Scotch settler in Brigham, as a reward for her literary outpour- out in Algeria, South America, Cochin China; relations to Lord Byron is the complete and aucould be expected to satisfy the demands which prompted this murder, and there is no cure but punishment of a severe ly repressive character for the savage lawlessness which is so forbidding a characteristic of the lowest stratum of Irish life. A reform in the law of landlord and tenant, and the publication of a statutory affirmation of the extent of the rights of occupiers and of the freedom of competition |. -in land, must needs be made, that all charge of injustice may be swept away; but crime and outrage may be expected to continue in the worst districts, and can only be eradicated by time and the stern exhibition of power.

SPECIAL TELEGRAMS.

FROM MONIREAL.

Montreal, Sept. 16 .- Coal has experienced a fail here corresponding to that in New York, consequent on the strikers returning to work.

Ferguson, gardener to Mr Burstall of Quebec, has a splendid show of dahlias at the Horlicultural Exhibition. Mr Day's show of Petunias and Mr Stephen's fowls also attracted much attention.

The monument to the late Metropolitan is in course of erection. It will stand on the east side of the cathedral, and be forty feet high.

POLICE COURT, Wednesday .- There was no business before the court this morning.

FARMERS' MARKET.

Kingston, Sept. 16 .- There was a well supplied market to-day, and produce of every description was plentiful and reasonably cheap The prices of last week very generally prevailed. and the deficiency of the market was confined to poultry and game. Vegetables were very plentiful and of excellent quality. A couple of loads of flour realized \$2,50, and the grain arrivals were confined to rye, for which 68c. was paid.
