SEE LAST PAGE. EXTRAORDINAY TRIAL FOR POISON

ING IN FRANCE. An extraordinary trial for poisoning has just taken place before the Court of Assizes of the Sarthe The accused were the mistress of the Trois-Bois, at Bouloire, named Miard, and her servant Ann Dupin; the victims being the first husband and the mother of the former, and the son and stepfather of the latter. This series of crimes dated as far back as 1865, and one of the H. Chancery, Notary Public, &c., 33 King most singular facts in this affair is that, not- street, Kingston. withstanding the almost undisguised manner in which the four persons were succe sively! fore the guilty parties were brought to jus- try at a low rate of interest. No commission | Highness. tice. The woman Miard, now aged 39, had charged. been married when young to Stan'slas Janvier, a man whom she disliked; the result was that she deceived him, and he, who was aware of her misconduct, frequently ill-treated her. She at length grew to hate him, and Anne Dupin, a woman of a most profligate character, having been taken into her service, became her confidante in all her intrigues, and at length persuaded her to get rid ofher husband, offering to procure the poison. This was obtained from the wife of a veterinary surgeon in the neighbourhood, and was effectually administered in a bowl of The wife was, be ore her hasband's death, on terms of intimacy with the man Home whom she subsequently married, and her own mother hay ig then come uninvited to reside with her, became an obstacle to their intercourse, and a week after her arrival was despatched with a similar dose of arsenic. Louis Dabonneau, stepfather of Anne Dupin, was also taken ill and died suddenly one day when he had been working with her, I and on his body being recently exhumed traces of poison were found in his remains; finally, the servant's own son, a lad of 15, had become acquainted with the practices of his mother, and having one day threatened to denounce her, shortly afterwards expired under similar suspicious circumstances The woman Dupin, being in possession of 1359 her mistress's secret, reigned for nearly three years supreme at the inn, continually working on the fears of the other to extort money. until the widow Janvier married Miard, who at once got rid of the servant whose presence he disliked. Anne Dupin then wrote to him a letter threatening to accuse his wife of poisoning Janvier; but Miard, not believing | CAPITAL \$3,000,000. ASSETS \$5,150,931,71 several bodies were, however, exhumed, and Hull AND CARGO RISKS to and from Inland Ports on favourable terms. traces of arsenic having been found, the two women were arrested, and then accused each | paid in Canada Currency. other. The trial lasted four days. The woman Dupin was condemned to hard labour for life, and Madame Miard to 20 years of the same punishment.

SHOCKING CASE OF AN IDIOT.

The case of Barbara Ubryck, the insane nun of Cracow, which so recently shocked all Europe by the enormity of its details, is surpassed by another that has just come to light in the South- | ___ and cargoes at reasonable rates. old, L.I., Poor-House. When the Cracow story came out it was thought that the fullest extent Kingston, March 31, '69. St. Lawrence Whart. to which the image of God in the human form might be defaced by hostile circumstances had "Ætna" Insurance Co. of Hart- tion-1 loss. of human degradation is still lower. It was sickening to linger upon the details relating to PAID UP the disgusting female lunatic, imprisoned in a loathsome hut, naked and wallowing in filth, Losses paid in 50 years, ... \$24,000,000 companions. Yet the Southold case, which is HIS Company has been doing business in Kingdom, and every part of the world. New York Tribune, is still more revolting, and time has secured the public confidence by the Agents-Burgoyne, Burbridges, and Squire, affords an instance wherein the human intellect prompt and liberal settlement of every fair claim. 16, Colman Street, London. has been by some strange fortuity plunged into It has fully complied with the laws of Canada by
