would have been most objectionable to cries of her younger son Theodore, who country, that the attempted removal child lying over the body and crying.

any petty, floating surmises and gossip about incompatibility of temper, want of judicious management, unwillingness for reconciliation, &c., could be no justification for tearing away the veil which she herself had hung in front of the public gaze. To remove a minor evil is no adequate cause for rushing into one of far

Secondly, it is desirable to obviate the impression that Mrs Beecher Stowe was anything like an exclusive or even a rare depositary of the statement which she has made, so as to obtain any title to publication on this account. At many successive periods Lady Noel Byron had fully stated the cause of her separation to many of her relatives and intimate friends. But in all these instances she knew whom she could trust; and, so far as I know, not one of them, much to their honour, judgment, and propriety, has broken that profound silence concerned, should have been continued I am, sir, your obedient servant.

THE NEW PROTECTIONIST MOVE-MENT IN ENGLAND.

Islip Rectory, Sept. 10.

FRANCIS TRENCH.

The following communication from a leading Sheffield manufacturer recently appeared in the Sheffield Daily Telegraph Sir: Already the cloud no bigger than a man's hand has arisen—already the still small voice of popular opinion is beginning to make itself heard, why an investigation should not be made into the working of the free-trade system as introduced by Mr Cobden, as every one is aware or ought to be aware, that the commercial position of the country is known by the exports which. in manufactured articles, should be more than the imports. It is no wonder people are complaining of bad times when we pre-payment compulsory lc stand in the position we now are in. To HALF-OZ LETTERS-PREPAYMENT COMPULSORY what extent foreign competition has ex-.. .. 121c tended may be best gathered from the folvia Halifax 121c lowing figures: In 1854 the total excess of " New York 15c imports over British exports was representreached £74,639,646, and in 1868 the total excesss of imports over exports had amounted to the enormous and ruinous sum of £116,047,922, an amount more by £12,081,565 than the whole of our textile manafacturers exported to the whole world. 5c giving a balance against us in our foreign 10c trade for the year 1868, of £116,000,000 ster-15c ling. In 1865-6-7 collectively, our imports 30c from France averaged about 101 millions. Subscribers residing in Britain, United but in 1868, when the treaty had been in States, Prince Edward Island, Newfoundland, force nine years, the imports from France &c., must prepay their Canadian postage as reached the sum of 341 millions, being an increase over the average of the first three

years of upwards of three millions. What must be the effects of free admission into this country of 362,532 clocks and watches; of 77,145,920 yards of cotton manufacture; of 404,544 cwts. of glass, of 327,003 lbs. of straw bats and bonnets, of 1c 468,240 pairs of bonts and shoes, of per 4 oz lc 10,714,188 pairs of kid and other gloves. Parcel Post per 8 oz 121c of 3,866,136 lbs. of silk manufactures. of Dr. Dingham, of Utica, New York, says: - New Stamps are issued of &c., 1c., 2c., 3c., 12&c. 2,261,192 lbs. of woolen and worsted varn What amount of labour would not these articles have found for our half-starving

> Whilst certain articles such as tea, coffee sugar, &c., which we cannot produce our-Single copies of the Chronicle and selves, are admitted only at heavy duties, News, containing the news of the week, may be other articles which we can produce, and had in wrappers for mailing. Price 3d. each, our half starved countrymen are literally dying to produce, are admitted free, such as silks, woolens, watches and clocks, cottons, hats, gloves, &c., &c. The foreign masters can manufacture at 30 per cent. less than we can, and yet they can import their goods free. There was bullion in the Bank of England, in January, 1853. 20,527,0007; and in April, 1869, only 17,225,000l; showing a decrease In the Bank of France there TRENCH ON THE STOWE-BYRON was bullion; January 13, 1853, 20,017,9481; in April 1869, 47,102,1121, or an increase of Lord Wentworth, the grandson of Lady 26,084,1641. These figures are facts, and Noel Byron, and the only surviving son plainly show who is making the money. of the Earl of Lovelace, has addressed the It commends itself to the notice of every right-minded man who loves his country
