(From the Philadelphia Press.) First-City Creek Canon, a grant by the Legislative Assembly of Utah, a heavily wooded district, from which the Saints obtain their wood exclusively, every third load going to Brigham's pile; fine water power, running four miles; income from this source \$20,000 per annum. Second-The water right to Mill

Creek. Third-A grant of Cache Valley, fifty street, Kingston. miles long and fifteen miles in width, and the richest and most productive Valley in the territory.

Fourth-A grant of Rush Valley, also a large tract of fertile country. Fifth-A grant of Lone Rock Valley, for ranch and herd ground, an extensive

tract. Sixth-The coal beds in Coal Canon, San Pete county, Utah.

Seventh-Real estate in Salt Lake City Brigham's block, \$500,000; theatre building, \$75,000; distillery, with the whole Mormon trade, \$200,000; various stores and private residences, \$200,000. Eighth-Four-fifths of Provo City.

Ninth-Sugar plantations in the Sandwich Islands. Tenth-Cotton farms, woolen mills, and flouring mills. Eleventh-Cocoonery for the manu-

facture of silk, with thirty acres of mulberry trees. Twelfth-Twelve thousand acres of

land in Cache county, for stock raising pur-Thirteenth-Claim against the Union Pacific Railroad for grading done, in all ! \$1,300,000; of which Brigham will receive

**\$750,000.** 

Fourteenth - Twenty-five wives in the The number of "spiritual wives" legion. Many female Saints are anxious to be sealed to Brigham, in order to be carried "across" by him, and thus have their salvation insured. Brigham kindly 1869. seals them to his predecessor, Joseph. Smith, for eternity, and to himself for . Eina time, and then appoints the bishop of the attorney in fact, by virtue of which the said bishop has the exclusive right to sup-Fifteenth--Forty-five children.

Sixteenth-Cash on hand. As Brigham is "trustee in trust for the Church," and not accountable to any one for the funds obtained in that large capacity, the amount is supposed to be very large.

Seventeenth-The property of the subjects sent upon "foreign missions," always appropriated by the "Lion of the Lord."

## A ROYAL BENGAL TIGER AT

The village of French Mountain, between Glen's Falls and Lake George, was the scene i unusual excitement a few nights ago. Campbell's circus and menagerie had been giving an exhibition there, and, at a late Kingston, March 31, '69. St. Lawrence Whart. hour, long after the audience had been dismissed and the canvas pulled down, as the "Ætna" Insurance Co. of Hartwatchman left in charge was returning from an inspection of the stables, he observed a large animal dart across his path and almost PAID UP instantly vanish in the darkness. Suspectwild beasts had escaped from their bondage, he hastened to where the cages were corallow the animal to escape. To run to the the amount of hotel, awaken the elephant driver and summon all hands, was the work of a moment. And is prepared to issue policies on terms as The elephant was promptly fettered and a low as the safety of the assured will permit. search for the truant tiger commenced; the scene, it is stated, was one of indescribable excitement. None but two or three of the most resolute of the showmen would lead in the search, the remainder following at a respectful distance and in the greatest trepidation. The tiger was not long in making known his whereabouts, for the bleating of tite on live veal. The leading spirits of the hunt approached, and by the aid of their its neck. A plan for capture was soon devised, and the keeper of the tiger at once set about putting it in practice. He procured a rope, and making a noose in the form of a For strengthening the System.—Price 2s 9d parts of the world. side of the shed to a window, from whence an opportunity to throw the lariat over the animal's head, whichifeat he dexterously ac- nursing. cured it he threw the end of the other rope stomach. to another party, and the two lines were at Agent for England and British Possessions, subjects for dissection; for the exterminaonce st. etched, each party walking in an opposite direction. When the tiger would make a rush at one group, of his captors, the others would haul taut on their line, and thus prevent him from doing any mischief. After much exertion he was dragged back no his cage, which had in the meantime been repaired. When he came in view of his den he bounded in of his own accord; tive. but the attendants in their haste to secure "The day seems as yet, unhappily, far disa very valuable animal. - Rochester Union.
