with France to leave the country ruined many the washboard. houses, everything had to be left as it stood: dence, and we fled the country where Germans were deprived of their rights and left without protection to the rage of a fanatical people.

who now lead the policy of Germany will not seventy. consent to this.

CAMPAIGN. The following extract is taken from Mr Capper's letter to the London papers. He heads it "Rear of the Armies." We learn from this authentic source bow terribly the Prussians have suffered in shis war. When Mr Capper wrote, the cold weather had but begun, now the invading army will have to endure cold, and rain and frost, and hospitals will be choked with dy. sentery patients:

engine apparently ready to start; we find nothing goes to Saarbrucken that night. the light of the moon we can see all along the railway line hundreds and hundreds of sacks of corn all sprouting up, quite a green crop. through the sacks, and immense heaps of army bread rotten and unuseable. No one can tell us where we can get shelter for the night. The ground is three or four inches deep in slush, so that the prospect of bivouacking is not a pleasant one. At length the Knights of St. John, who have an establishment here, take pity on us. and we are allowed to sleep in a kind of casemated vault under the house. The sisters, too. kindly bring us some tea, but upon asking for water say they cannot let us have that, as the wells have all been injured, if not poisoned They bring us, however, some red wine, and we

thankfully go to sleep. One of the brothers informed me that 300 wounded were coming These, the knights and brothers and sister tend and nurse, and pass on as quickly as pos sible to Germany. About 11 at night a train patients. I have talked with several soldiers i who have not had their clothes off for 30 days. Their clothes-all bran new when they left Germany—are literally in many cases rotting off their backs, so soddened are they with rain and mud. It was rumoured that peace negotia. tions were on foot. How heartily every one them said "Thank God!" But the Germans feel it must be a safe peace. They do not wish to have shed their best blood for nought. Let any one examine the beights of Spicheren and troops must have known that it was certain death for them. At Spicheren there is one up through the ashes in a very promising mangrave, under which are buried the captain, first ner. and second lieutenants, and three ensigns of the action with 18 officers, 17 were killed or

wounded, and the 18th had a horse shot under These are the martyrs for the unity of Germany and the future peace of the Father-And yet harder to bear is the grinding misery of the wet, muddy, cold bivouacs-that word that sounds so picture que. And what tongue shall speak of the agony of the hospiin a baggage waggon open some straw. He said there was but little disaffection to the new He also told me that Bazaine had twice offered

TOUCHING LETTER FROM THE

FIELD OF BATTLE. Among the many poignant memorials in plain, coarse garments, and their persons are from the field of battle is a letter of which a note had been scribbled in pencil during the very heat of battle. The book and note had both been pierced by a bullet, but the name and address of the writer had been fortunately preserved, and his letter bas been forwarded to his widow. The note is as follows. The date, 1st of August, is, of course, an obvious and very natural mistake

> Sedan, Aout 1. Au milieu de la bataille, entoure par les t is, balles, je t'addresse mes adieux. Les balles

Adieu, ma femme bien aimee, j'espere qu'une ame charitable te fera parvenir cet ladicu; je me suis porte bravement, et je meurs pour n'avoir pas voulu abandonner Un baiser, There is something inexpressibly touchfor his wife whom a too prophetic presenti-

ing in that final thought of a brave man alike had somebody at home to care for them, some one for whom they cared, but wells on the smoky air, and think the last

EXTRAORDINARY ATTEMPT TO BURN A Suip.—The barque Lebanon, arrived at Newport from Quebec, had a narrow escape

every means were taken to save him. O'Leary and O'Grady, respectively Presiin their duty in not keeping due account of the tickets; and the lormer states that the tickets which he received were entrusted to various persons, who were all respon-

by the Swedes themselves from the motherland; newspapers, which were duly forwarded through better yet, listen to what scientific men have to but much of the crockery and iron ware is un- thou hoassy to the widow." Who can doubt say on the functions and conduct of la
