ARRIVED AT LAST.

'HIS elegant Turkish Tonic is one of the expressly for Family use, and will be most salutary and delicate preparations ever submitted for public approval in this bemisphere, and asserts its pretensions patronage on the following grounds: That it is a preparation of one of the most eminent Purveyors to the Ottoman Court.

It prevents acidity of the stemach. It relieves lowness of spirits. It is a mild and invigorating tonic, and a a most efficient but innocuous stimulant.

It renders the breath sweet and agreeable. It etimulates the appetite if taken before It promotes digestion if taken after meals.

It neutralizes the propensity for strong It renders the intellect bright and clear. If taken habitually it imparts vitality and By its use a man of 70 will become, as it

energy to all the bodily organs. were, restored to the elasticity of 30; and to persons of delicate constitutions it is strongly recommended. It is an especial favourite with Oriental

Secure, then, health, longevity and vital energy by the habitual use of the ALKABASAR TURKISH TONIC Kept in stock by the principal Druggists and Grocers in the Dominion. For directions for use see labels on bottles.

BOOTS AND SHOES.

that at the present moment the German soldiers on outpost duty rarely wear their overcoats. You may see their tunics stained with the buttend of their rifles when they come in to be relieved in the morning, looking raw and coldenough but by no means unfit for work. The secret lies in the use of warm underclothing, worsted wrappers, jackets, and the like, which will not suffice in wet weather.

CONCER
The derman soldiers on outpost duty rarely wear their overcoats, and are made the most of." The Germans active forces, and avoid encumbering themselves with anything not essential for war. But the privations of the sick and wounded worsted wrappers, jackets, and the like, which will not suffice in wet weather.

The derman soldiers of their rations are issued as usual, and are made the most of." The Germans active forces, and avoid encumbering themselves with anything not essential for war. But the privations of the sick and wounded worsted wrappers, jackets, and the like, which will not suffice in wet weather. The same correspondent says: - The Prussian treated. In the face of such a fact we cana cut in the forest—a remarkable trumpeter, for he wore spectacles—and blew a blast like a he rald of old, at the roadside, trotted on to a ride in the wood, where four rides met, and labour here have been fit of the two armies; but it should be observed that this affords no measure for the charitable work of the Germans.

The resources of the people in money, time, blew again, and out from the coverts came and labour have been exerted to the utmost, troopers in hot haste, formed up, and presently and even overstrained, in the care of the cantered over towards Chalon in capital order. sick and wounded who were sent bome; and the fact that the sum which could be spared for the Johaniters was less than a

NAPOLEON AT SEDAN.

escape the griping, colicking and teething more than mere careful marching and steady Emperor. Three French generals were in siege. We confirm every word set forth in the keen interest in the struggle, and have plenty marck with a fourth French general on horseback behind him. It was in obedience to a sudden reques: of the Emperor that the modest erriege halted at the wayside house. I saw him turn round in his seat, and heard the request he made to the Prussian Chan-"As many persons entertain the benevolent cellor.
