decided, by a majority of 53 to 40, that there is outside. no objection in principle to the union with the LIQ. CHLOROFORMI Co. or CHLORODYNE United Presbyterian Church. A similar decision has been arrived at in the Free Presbyter of Glasgow by 63 to 40.

The well known saying of Malame de Stael, fewer. The armies of Prussia and of her alies without soiling the hands. occupy a third of the territory which was once governed from Paris. Like a swift steed, they ! devour the earth as they advance. The German occuration threatens to recognize no other limits than the Channel, the Atlantic, and the

Mediterranean. The World reports that the St. Domingo treaty is soon to be sent to the Senate again. It WOOLLENS: Magenta, Mauve, Violet, until a recent day to abandon all hope of carry. ing this treaty, and to endeavour to get St. Do_ mingo annexed to a joint resolution of the two Houses. Some cause, however, has lately changed this plan, and the confirmation of the treaty is to be tried again. The real purchase of St. Domingo appears to have been negotiated by a New York Company, whose capital stock is said to consist of twenty shares at \$15,000 COTTON: Mauve, Violet and Purple are each. To this company all the mineral lands, mill privileges, and prospective town sites in St. LEATHER: Blue Magenta, Violet and Dominge have been granted. They also have Orange. Dye in warm water. the monopoly of banking, of building railroads, WHITEWASH: To color: Magenta, for Pink lized, in the event of annexation, to survey the whole public domain of the republic, and to have one fifth of the same by way of compensa. tion. This one-fifth they are to locate for themselves. With such valuable grants and mono-

polies, it is hoped that the treaty may at last be pushed through. The list of accidents from the careless use of f The accrued interest is added to the prices | ed.
