that she had. And what has been the result? Twenty years of a personal reign, which has ended by the nation being almost crushed out. Our folly and our crime were great, but our punishment has been greater, and will be greater still if, when peace is made, we blindly follow the counsels of those so_called patriots who, by abolishing constitutional government in France. paved the way for her degradation.

PARIS REDUCED TO SALTED HORSE, A letter from the Royal headquarters, Ver. I have been told over and over | phase of the privations inflicted upon them by The largest restaurant in Paris was, yes_ able. The rations of fresh meat, hitherto punctuterday, it being Sunday, crowded from 5 to 7. ally issued by the authorities, were stopped yesand everybody had, if I may judge from my own terday, and salaison, or saited meat were subexperience, at least an eatable dinner, with stituted in their stead. This significant token plenty of fresh meat. The beef was probably of approaching hardship has not failed to elicit horse, and some of the entrees possibly cat; but from the organs of public opinion a violent proed very heartily. In fact, there is no knowing The Figure-which has hitherto, so to speak, this morning eaten at one of the best restau. of Defence, swallowed its own words in preferfirst, one's 'qual condemnation. The number in question voted to an attack on the Government, and the Trochu, Favre (whom he styles "a fallen an. gel"), and Company, with more crimes than would crowd Toulon or populate Cayenne and

goes on to compare them terribly to their disadvantage with their Imperialist predecessors He says: "Ollivier and Palikao were at least statesmen-you are nothing of the sort. You aggerated, lied-you do the same. You mir of affairs is summed up with extraordinary cor-I should have no objection to repeat the experi- c seness. "There is no fresh meat; from to-day we are to eat salted provisions. We are called determined to do so, if it must be. But first we to which we absolutely require an answer. You have been telling us all the time of an army that is coming to rescue and emancipate un You admit that Paris cannot stand by iftelf. and that its salvation depends upon aid from without-aid from this vannted army which you are never tired of announcing as close at hand. home, they would, perhaps, be cheap eating. is coming to our relief? This is one question. even in time of siege; only, unluckily, the poor | The other is, since we must eat salt meat, how much salt meat have you got for us to eat? You must enable us to compare the numbers of the relieving army, its distance from us, and the ly of salt meat for our consumption. If we find redeemers, we will support you in the further defence of Paris; if not, then we shall say -to avert more horrors. You tell us that we

An English paper tells the following with reference to the new open postal cards: "The Germans have their postal cards as well as we. and abuse the new institution in about the same L'a manner. At Dresden a gentleman received card some weeks ago, conveying the following message: 'I lost my purse yesterday at the Blabe barbs, with three napoleons in it. Idrosped it close to the water-mark, where it must Yesterday afternoon I had the bonour of be- lie still. As you are a good diver, pray go a ing admitted to an interview wib M. Thiers. bathing with me this evening at 6. The gen. needed not the sight of the post office uniforms time his chief would receive me. At the hour in the undresing rooms to proclaim post office clerks, for the were well-known facts from the receiving counters. They all kept pear the quented, and took uncommon long dives. The writer of the card was sitting at a little dis. tance, evidently enjoying the sight. [As the spacious but somewhat scantily furnished disappointed clerks returned from their aquatic search they found an inscription in chalk on the Strict secrecy observed with regard to all postal communications.' It was only then they perceived that they had been made the butt

a very palpable burlesque upon the Old World thanks for the incredible labours through which siege which absorbs the attention of two hem. ispheres. Anything more unlike the legions that obey the behests of Von Moltke, than the half-armed and partially-clad host who, mount, bad known him and he had known me for is, will see that a new Administration is at once put into power. Battle will probably have rea.
