in the yard. A terrible railway accident is reported from that city, the north-west branch of the Madras Railway crosses the Cheyaig by an iron-girder the force of the current that several of these There were also drowned a native barrister of Madras High Court, the engine driver, three firemen, and an under goard. When the train left the terminus, the first and second class carriages were nearly full of passengers. The Chevair bridge is situated between the Ra. jampet and Nudaloon stations (130th to 137th mile) on the North, west line. Happily the train

PUBLIC FRELING IN AUSTRIA. The Russian ogre is a great object of terror to the Austrian mind. The Circular of the Russian Ministry has created an immense exciteme and the prospects of an European war are teing a deeply laid scheme made in concert with Bis-Prince of Prussia to a Field Marshal in the Russian Army was triumphantly pointed to in evidence. The main object of the North German Obancellor is the extension of the Bund, southward, so as to embrace all the German-speaking peoples from the Baltie to the Adriatic-an object to which his present desire for the humi tion of France, the annexation of Alsacs and Lorraine, &c., is entirely subordinate—and to this end he purposes, in alliance with Russia, to

bully Austria into a war and eventually crush

It is thought that in thus seeking au alliance in the East, instead of the West, Bismarck will commit a great blunder. I was surprised to find, in passing from North to South Germany, that political activity was more rife in the latter. The ordinary North German seldom has a political principle that he cares to fight for, and the papers show a sad want of interest in the majority of questions the sort which Englishmen have most at heart. But in Bohemia this is not at all the case. The people there are ranged into regular parties. and the journals, though not very well written, at any rate have an opinion of their own. The extreme Liberal party requires a complete separation from Austria, and the formation of Bobe-

The daughters of Queen Victoria excel in

At a recent examination of one of the schools in Washington, the question was put to a class of small boys: "Why is the Connecticut river so callled?" when a little bright fellow put up his band.
