THURSDAY EVENING, DEC. 15.

The Russian government, it is reported, it can be seen that it refers to a night school Office. is determined to regard the Treaty of Paris for girls, held during last year in the High as abrogated with respect to naval arma. School Building. But as many people have ments in the Black Sea. That is, accept- supposed that it refers to the High School Class, ing the report, Russia still adheres to the note of Prince Gortschakoff notwithstands in a very flourishing condition and has been ing the withdrawal of that document and go during the past year, and that as far fromthe acceptance of Lord Granville's p.opothere being any intention of abolishing it, means sition for a conference. This report imare just now taking for extending its sphere o' plies that the secret intention is at variance with the public avowal. Of course it is to be expected that Russia will exert every influence in the London Conference to secure a modification of the treaty of Paris in her interests, and she will no doubt find friends amongst the nations who will consent to her application; but it may be doubted whether she will force her determination against the decision of the conference. War would be the inevitable result if she did; and Russia is evidently disposed to avoid war. If the English government feels in- true bill. clined to relax the treaty of Paris, and this is supposed in some quarters to be proquietly, and there will be no possibility of J.P., associate. war for the present. Until the turn things The first case called on the civil docket was the south of us, that in commercial matters we Selling Off! are likely to take in the Conference is seen | that of these repeated warlike despatches will be market.

News from inside Paris is down to the 9th is mentioned that a corps of sharpshooters report. The Roman grandeur of character cription which must be taken with considbeen holding violent meetings denouncing T. L. Snook appeared for the plaintiff. Messrs each other and the government, and the military officers have not been able to refrain from quarreling in face of the dangers of the Republic. Violent dissensions are said to have broken out among the officers, even among those of high military rank. These troubles denote a high degree of irri-French nation has suffered, and which sizes. gains expression under the Republic instead of being repressed as under the Em-

President Grant has excited an influential opposition against him in the ranks of the Republican party by recommending the muster, was much larger than could be expectannexation of San Domingo. The Senate ed under the circumstances. The newly reor. rejected the treaty of annexation last ses- ganized band also made its first appearance in duct. sion and apparently it is in no humour to public, and, notwithstanding that the members pass it this, since Senator Sumner is as with the exception of two, (the remaining grate ully acknowledge the receipt of one hun much opposed to it as ever and has lately | number having all resigned to join an opposi- | dred dollars from Messrs Calvin & Breck, being | carried a point against the President in | tion band) have only been receiving instruc. | their regular Christmas gift to the Hospital. the foreign affairs committee of which he tion for about three months, under the leader. is chairman. The San Domingo annexation | ship of Professor T. H. Smith, played exceeding. is looked upon as a corrupt job, sought to be covered over by the high sounding phrases of the President's message, but nevertheless a job which men like Senators Sumner, Williams, Morrill and others are determined to oppose. This influential opposition shows that the President is not possessed of the unlimited confidence shed, all of which were performed in excellent of the Republican party: and if in this time. There were a number of ladies and gen. matter the better class of public men turn | tlemen present on the gallery. Shortly after 8 against him, so may we expect axmine to o'clock the Brigade Major commenced his inexamine critically, and act cautiously on his spection of the arms, accoutrements, etc., avoidably postponed until Friday morning at recommendations with respect to the fish- which was stated to be satisfactory in every re. 10:30 a.m. eries and a retaliatory policy against Ca- spect.
