TAXATION.

TO THE EDITOR OF THE DAILY NEWS. Sir,-The most weighty reason given in the Their conversion into property is certain to City Council on Monday last for concurrence in recommending to the Legislature sweeping changes in the assessment was, that it was de_ sirable the petition from the five cities of Ontario should be unanimous. The unanimity of the five foolish virgins who neglected to take oil for their lamps to light home the bridegroom, was just as well founded.

The changes in the assessment law recom_ mended by the City Council strike at once, and tive of such an attack; and in this case it | right to vote at municipal elections, he might may be asked of what use would be a sacri- have found comfort in the thought that he was fice of lives to gain an end which is far untaxed, but now, disfranchised and unable to from remote by the effect of starvation plead his right at the bar of public opinion, he alone. From Prussian sources it is report- has to face the prospect of a tax upon his small ed that bread riots have broken out in earnings, and increased taxes upon his house Paris and that the mob have been brought rent; should sickness send him to the hospital into collision with the military. The he finds its charity diminished by a tax; should Parisians by this time are reduced to coarse | calamity drive him to the poor house, a tax wheat flour; and some inequality in the rests on the roof that covers him. The only distribution of this food by the authorities | ray of hope left him is to be found in the announcement of the Alderman who brought in the report, that grave-yards are not to be taxed

because nobody owns them. The report or memorial of the City Council in favour of changes in the assessment law is intended to support a bill brought in by Mr Blake. Whatever that gentleman's talents or no other idea, to Mr Blake's followers, that the highest authority on the principles of taxation has clearly shown the absurdity of their no.
