range, P.M.)-Two youths, apprentices in the Machine shop of the Ontario Foundry, were charged with committing an assault upon William Pipe and Thomas Graves, on Saturday last while raving from the effects of intoxication. They were each fined \$2 and costs. It is hoped the punishment may act as a lesson to them in future to abstain from alcoholic liquor, and then there will be little anger of their becoming involved in a pugilistic encounter. William Bradley and William Wood, two confirmed "suckers," were fined 2 each or 30 days in grol. Wood paid, and had the pleasure of witnessing the celebration, but Bradley returned to the cells in dolefuj dumps."
