a burning building in which human life was imperitled on so large a scale, some time before an alarm was sounded; to know that those who were in greatest danger were . . Republic. Pointing to the mace of the rescued in the first instance by volunteers in nourable Sergeant-at-Arms, he said that from the crowd; to learn that one after for Governor-General, a nobleman whom I T. MOORE, Brock street. another of the inmates in sheer desperation precipitated themselves from the upper storeys, no other means of escape being provided; and above all to hear that a poor woman had for three-quarters of an hour t hang by the window-sill, no ladder being found sufficiently long to rescue her from a most horrible death. So revolting is the scene that we shrink from attempting to the here, from love of your monarchical describe it. Did we try to do so, we should in titutions, who desire never to see the fall far short of the painful reality, and the British flag depart from this continent, I, impression is too vivid and too distressing also am thoroughly loyal, would have to go to allow of a cool enumeration of details. Eack to the States or to England, I think the HEATH & GUNN, Princess-st. Suffice it to say that the tire originated in latter. Any one who by such sentiments | HOBART, GEO., Princess-st. the small building adjacent to the Hetel, sould hope to get me on the other side of MACLEAN & CO., Princess-st. used as a laundry, through which it spread with such rapidity that it was only with the utmost difficulty that Mr James Beckam, foreman at Point St. Charles, and Mr John Nolan, engineer, succeeded in saving the lives of two women. The flames rapidly Mr Speaker, that the true Reformers are on extended to the hotel, the interior of which - he tiovernment side of this House, and the was soon in a blaze, but it was some time libstructionists opposite. In regard to that before the immates were fully aroused to a lection of the Address which refers to the Paconsciousness of their danger. Meanwhile onic Railroad, I was astonished to hear the COUSINEAU, F. X. & CO., Princess-st. a large crowd had collected in front, of the west member for Lambton speak in such un- ERLY, L. J., Princess-st. hotel, and the alarm having been sounded. qualified condemnation of section fifteen of the GARDINER, R. & J., Princess st. the Brigade were on the spot with their toulroad Charter, which obliges the Govern- GREENFIELD, JAMES, Princess at usual appliances, the deficiency of which it ment not to compete with the railroad, and to MACNEE & WADDELL, Princess-st. is superfluous to remark. The scene of confusion in the office is simply indescribable, the alarmed guests having rushed down stairs in every conceivable variety or undress. It is only due to the members of comment have all their land for a correspond. RICHMOND & BOYDEN, Princess-st.
