The Daily News.

WEDNESDAY EVENING, APRIL 16.

THE Modocs.—Much has been said and wender what King William IV. thinks of it. written regarding the treatment to which the Indians have been subjected in the HAYTI.—The news is reassuring. There United States, and all attempts at a has been another revolution. A hair dresser milder policy seem to be unavailing. The of '58 raised to the high office of general in pelicy of extermination alone would seem '68 and new first known to fame to outsiders to be the only one which can be adopted which his name is Michel, attempted to successfully, and yet the mind naturally raise the wind and unfortunately was securreceils from any such extreme method. ed by the authorities before his flewing am-From two different places in the United bition had time to declare itself. His re. FIGHE SUBSCRIBER begs to intimate that States, the report came yesterday of marks previous to being dismissed to the he has been appointed Agent for the murders and retaliations. In Southern other side was modest in the extreme-MACLEAN & Co. above Company for this City and surrounding district, and that he is now prepared to that and murders of the most bental kind others had their are reported, followed by the usual action of It is a good thing he was satisfied. following up the trail and killing the Indians, this time to the number of sixty-

> three months age, an attempt was made to has already been shed. The wonder would deport the Indians of this neighborhood to not be greater. The Americans are so used a reservation set apart for them, but the to handle the revolver and bowie knife, that Modocs, described as a brave and valiant the simple Porto Ricans may reasonably tribe, under their leader Captain Jack re- object to the "new civilization," and may fused to move, and when the U.S. troops wish to preserve their morals free frem attempted to force them, a foolish course was contact with the peculiar ideas of New York pursued. Instead of sending such a force fifth ward politics and their representatives. the small band sont against these bold dwellers among the rocks was scattered like chaff on the threshing-floor, and the Indians were masters of the situation. Their with St. Mark's Church, Barriefield, was held encampment is amid a peculiarly rough and on Monday at 9:30 a.m. rugged country, and the craters of extinct volcanoes afford them such natural fortifications, that all attempts to dislodge them have hitherto proved abortive. Captain Jack and another celebrated brave, Scarfaced Charly are their leaders, and with such skill have they managed matters that there ap pears no prospect of a speedy finale to the

bloody work. taken at all times that a surprise was im- stipend. This proposition was accepted by possible, but on last Saturday these pre- the Vestry, and I now lay before you the recautions were neglected, and Major General | sult :-Canby, and the Rev. Dr. Thomas were Receipts: foully and brutally murdered by the savages, while treating with them for peace. The foul act has naturally roused the fury such a deed of blood. The troops are aroused, and have advanced to within worked well, as this is the largest stipend over a fearful expiation will have been effered. And still we must not

perhaps e'er this meets the be too sanguine. Even by the same report | Esq., as his Churchwarden. as contained the news of the murder, a. rumor came that the Indians had deserted their camp and fled none knew whither. Glazing, Paper Hanging, &c., done in the The blood of Canby and Thomas will not opened for the purpose of paying for the lamps long cry against the murderers, and soon purchased for the church, and other matters the day of reckening and vengeance will requiring attention.
