MONDAY EVENING, APRIL 28.

ROBINSON. If our western friend would but recollect that it does not pay superior court judges the

some magnificent GOLD PAPER and or fix their salaries, it might be all very point which might very properly be a subthe fate of every such motion in the House, the vote is sure enough. We well remember a scene in the Parliament of old Canada in motion will pass, the members have all asked for it, and it will certainly become

be specified, and that every man who is to get an increase must be of John Smith's salary by perhaps fifty or sixty dollars per annum.

Sig. Antonia Arrighi, B.D.

preached a beautiful and most pathetic dis communion. Next morning, with an aching course in the Sydenham Street Church, which | head, a sorrowful heart, and suffering from was crowded to its utmost capacity. After the torture his brothers had afflicted him with, conducting the preliminary part of the service | he gained admission to the house, and again by singing and a very impressive prayer, he received numerous severe persecutions because ennounced as his text Psalms lxvi, 17th of his refusal to abandon Methodism. He passed over many incidents of the ensuing

"I called aloud unto the Lord with my three months, in which he encountered nummouth, and he was extelled with my tongue." | berless tribulations, when at length, jubilant The reverend divine said that on a visit to of an impending anniversary in connection Cincinnati once he read in a newspaper of that | with the church, he was forbidden to go, on city the announcement that a certain clergy- pain of serious results. He was constantly man would relate the causes that led him to troubled about the spiritual welfare of his become a Roman Catholic. He was going to brothers. He loved them much, but he tell them how he became a Christian through felt he must obey Jesus, and consequently the influences of Jesus Christ,—a confession started for church. Before he had proceeded prized the more valuable when it is only the 'ar he heard his name called, and saw his old-

PRICE TWO CENTS elect of God who can be converted to Christianity, while any person so desirous may become a Roman Cathelic. It was a simple tale of the cross, but its simplicity and Comparison Large.—Start not, reader, truthfulness might be preductive of greater we are not going to inflict a lecture on beneficial effects upon his hearers. Some sixphrenology, we are not well enough skilled | teen years ago he and two brothers, after in the mysteries of that science : all we in- passing through some of the leading sensatend to do is to draw attention to a re- tional events which agitated Italy, emigrated markable discovery made by a western Grit to America. They were strongly attached to of English, French, American and Canadian journal. The editor of this paper has been each other, a feeling of fraternity that was Manufacture, Golds, Velvets, Plain Border, exercised, and no wonder, for he has found enhanced in its affection owing to their non-Imitation of Marbles and Woods, Statues, Window Shades, Decorations of every de. that the Dominion has actually spent more other features of the country, which renderscription, will be sold at the cheapest rates, wholesale and retail,

than the single Province of Ontario. The ed their ascent of ambition's ladder difficult Premier even has the audacity to propose and discouraging. After travelling over many te raise the beggarly salaries of the Gover- of the States they finally settled in a ROBINSON'S nors, Judges, and Speakers of the Domin- thriving town in Ohie, where they commenced ion, to something like a sum that they can business as butchers. It was while here emlive upon, and forthwith this protector of ployed that on a Sunday afternoon on saunthe people's rights cries out that Sir John tering listlessly down the street his attention o ne se ssion has voted away the people's and steps were arrested in front of a large and money to the tune of \$325,000 per annum, bandsome building by the plaintive singing and that the increase is more than \$100,000 that issued therefrom. The place he imme-House, Sign and Window Shade Painting, more than the total salaries in Ontario. diately recognized as the "Church of the Glazing, Paper Hanging, &c., done in the best style and on the most reasonable towns. Well that is wonderful! The Dominion Heretics," and as such was taught to view it best style and on the most reasonable terms.

Well that is wonderful! The Dominion must feel small in the comparison, and yet if our western friend would but resolted.

Catholics of his country who dared to enter the precincts of such institutions were exhort. ed to confess it, and by laws of their denominational antherities were sentenced to severe Let us examine the proposed increase. tomed to the cultivation of the highest stan-The Lieutenant-Governors are to have an daid of music in his native land, the music additional \$12,000 distributed among them, which issued from the church (Methodist) and who let us ask will find fault except | charmed his soul, and he longed to witness some wretched flunkey of the country who with his eyes what so delighted his ears. Still knows the thing is the rankest folly to find he hesitated-the dictates of his conscience fault, and yet who will always find people urged him to stay and resist the temptation, \$600,000. as mean as himself to pat him on the back. while an invisible but newly-felt spirit becon-MAXWELL W. STRANGE, AGENT. The Judges of Ontario are to have an ed him advance. The singing centinued—it Office, Clarence Street, opposite the Post increase of \$43,000 divided them, and here thrilled his bosom with pleasure, and unable too that contemptible paper must need to withstand the promptings of his thoughts find fault. It has even forget that when the found himself seated within the walls of the sacred edifice before he was fully aware the exigencies of its party forced them to of his actions. Then a conviction of drag a judge from the bench to make of his guiltiness rushed to his mind in him a premier, the greatest argument made one mighty torrent, and he was seiz-County; good and commodious Stables and Sheds, with careful attendance; a good Com would think that the blackest sins in the meditated retreat, but abandoned that idea, in conformity with the practices of the Italia. mercial Room for travellers. Charges mode- catalogue were mere trifles compared to conformity with the practices of the Italian the unheard of wickedness of rewarding people, which directed them to respect and remen who every body knows have been vere the "House of God." His only course, most wretchedly ill-used in the matter of therefore, was to pay the greatest heed to the salaries. The total increase of the salaries | conduct of others, and follow them as near as of the judges throughout has amounted to should in no way disturb the preceedings by \$118.212. and we believe that no money his presence, or attract attention by his which was so justly due and so long withstrange manœuvres. The congregation were

The next item in the increase is bread and water were passed around he par-Pianos, Organs and Melodeons. a better show, but unfortunately it in-TATE ALWAYS keep on hand ORGANS cludes in one sweeping condemnation not ing an uneasiness such as he had never before and MELODEONS of the best Cana- only the increase of salaries to Judges and felt. By and bye an aged gentleman, evidian make, and have now in stock some ex-Governors but also the proposed increase dently the pastor, arose and invited sinners to (made by Broadwood, Chapell, &c.,) to which to the M.P.'s themselves. It is proposed bend the knee at the mercy seat and confess to give them ten dollars a day instead of six. their sins to the Great High Priest, and be and if the session lasts over thirty days the regenerated once and forever. The preposal We feel confident that our own Instruments pay to be \$1000 for the session. This is a made a solemn impression upon him. He had been in the habit of confessing his sins to the ject for debate, and yet when we consider priest and obtaining absolution once in three months-some perform this ceremony menthly, semi-monthly, and some more frequently, but anyone going beyond a year was not eu-Toronto when a question on increasing from To confess his sins once and forever was a four to six was under discussion. The mem\_ grand thought, and the lenger he pendered in ber who wanted to court popularity, when ike proportion did the desire possess him they knew the motion would carry, made a to try it, for which he would willingly give great ado about the matter, and well do we his all. Presently he saw a number of persons recollect Mr Turcott giving the present assemble near the pulpit and eloquently depict member for Quebec Centre a most amusing their feelings. He followed. He had been lecture on his dodging behind the desk un- also taught in Italy in his cenfessions to retil he saw there were standing enough to peat all the blasphemy he had used in his secure the passing of the motion and, then daily life, altercations, lies, &c., and the cirhow boldly he stood up and voted nay. It cumstances that led to each moral offence. will be some what similar new. But the In this strain he poured out his confession, comprising a recital of his many misdeeds, interpolated with prefanity and language of the most disgusting character. The congregation The other increased items are \$1,600 to penitent made such revelations. A kind brothe two Speakers, \$2,500 to the official's of ther checked and expostulated with him for his the Senate and \$5,000 to those of the Com conduct. He replied semewhat confusedly, mons. Then there is a lump sum of \$75, but sufficiently explicit that his interrogator 000 for the indemnity of the permanent comprehended his meaning, and counselled clerks in the different departments. This him as to the mode of seeking the fergiveness is now preposed in bulk, and the Globe, to of God, through the atonement of Jesus its credit be it said, finds fault only with Christ. Then did he perceive the way of conday, and the choicest lot of CANDIES of this item, and that neither to the amount fessing to the Great High Priest, once and fornor the proposal, but to the way in which ever, and with a conscience relieved of its burit is proposed to be given. The Re- then, he prayed in Italian, forgetful of the formers claim that each case should change in the language, to the amusement of the assembly, though in the passionate feryour of his soul, he was enabled thereby to named, and how much he is to receive. the church that night, singing aloud the song Now that may all be well enough, but in of Jesus and the righteous. When he reached our mind it is rather small. The Parliament | home he astonished his brothers with his acwill see that the money is given for the pur. tien. They consulted together, and believing pose for which it was voted, and surely the him to have imbibed liquor, told him he was Gevernment can be trusted to meet the drunk, and to cease his noise and anneyance. case of each employee without having his He could not repress his rejoicing, and to simerits and demerits discussed in the Par- lence him they bound his hands, and then liament. And we are really of the opinion plied the lash to his back till blood flowed that at ten dellars a day each the time o profusely. Then they pronounced malethe members of the House could be bette dictions upon his head, and unsuccessful in employed than quarrelling over the increase driving "Methodism" from his thoughts, they turned him out on a cold January night,without friends, and a stranger in a strange land. He sought protection in the stable, remembering the cheering story of the birth of the Saviour, and finding comfort in his suppli-Signor Antenia Arrighi, B.D., last night cations to Jesus, with whom he had sweet
