He noticed, however, the circumstance that the donations for this year Lungs, they are invaluable. None should be We always regarded this matter with suspicion. If Mr Blake really believed that Mayor announced during the course of the the criminal could be tried, he should have meeting his intention of making to the insti-

The first resolution was moved by the Rev. J. A. Mulock, who paid a hearty tribute to Mr Almon of Halifax appears to have the usefulness of the Orphans Home as obblurted out a truism, but he must remem- served by him during the whole course of its ber in abusing the Canadian volunteers that history, which he had watched with great inthey went to Manitoba not as murderers but terest. He referred to the fact that since its as soldiers, and to say that if Nova Scotian first institution 30 destitute children had been volunteers had gone, there would be no sheltered under its fostering care, rescued need of an amnesty is unfair. Let Riel otherwise have been their lot, and brought up friends and the public in general that he be ever so bad, we must fervently hepe to become useful members of seciety. He re-ALL KINDS, the best the market can the hand of the soldier is lawful war or by ed parents, had been received into the Home, the hangman in legal semblance is what and had, in due time, passed from it into more justice demands, and to say that the Cana- permanent homes, carefully selected by the dian volunteers must each become an un managers, in which, as he knew from the lips seen avenger of blood is a poor compliment of their present protectors, the children were regarded as valued treasures. Indeed, in such The member for Marquette came out high estimation were the children from the them, if possible, a child from the Orphans Home,—such credit did those whe were sent out from it reflect upon the training they had

received in the institution. The resolution was seconded by G. M. Macdonnell, Esq., who briefly but forcibly ex. Mr Cunningham (Marquette), differed with pressed his strong sense of the claims of the the mover of the motion from the outset. He ()rphans' Home, as standing first among the charities of the city, both as to its importance that Louis Riel had defied the Government of and management, and bearing testimony to

The Rev. K. M. Fenwick moved the second resolution, which was one specially important rights and liberties, that they had at any time to the interests of the good order of the city, and all times to claim the rights of free born as it called attention to the numerous class of Britons. He contended that these rights had unfortunate children, who cannot receive the been infringed by the manner in which the benefits of the Orphans' Home, who from the ARRIVED AT THE MEDICAL country had been handed over to Canada; they intemperance and carelessness of their wretchbeing consulted as to, or informed of, the ed parents are allowed to grow up in ignorchange, and that when Riel and others took and vice; the natural consequences of which their stand at Stinking River, and said to the must be a career of degradation and crime, expedition which was coming into the country—"Thus far shalt thou go and no further," having a most injurious influence even as it they did but what was their duty to their was already doing, in many cases, upon the the onus of having started the disturbance, and especially upon the hon. member for Lisgar, who he regretted was not in his place. for the poor, in which children, instead of be-When the people of the country were standing | ing sent to school are sent out day after day to up for the rights of the country, he (the hon. member for Lisgar) had gathered a party of young and enthusiastic men around him, and. armed to the teeth, they had gone into his drink. He pictured the ruin to which such house, and there raised the Canadian flag. children were being inevitably hurried, and That was where the whole trouble had begun. asked if no handshould be stretched out to save Another assertion that had been made was that Louis Riel was a murderer. Now, he (Mr Cun-

in the House and stated that Louis Riel was awaited them in their present circumstances a murderer, he stated what was not legally a was far more terrible, should they be allowed fact. Louis Riel, in the eye of the law, stood to fall into it without earnest efforts being put as free from the charge of murder as any other man. Not one single information had ever in Montreal an institution for extending a which a warrant could have been issued for helping hand to such children, presided over his arrest. To-day, notwithstanding all that by some of the most prominent, earnest, and had been said, it had not been proved that L. thoughtful citizens. Who would move in the Riel was a murderer, and it might happen, if the thing were really gone into, and if a pre- matter in Kingston? It had been said that per investigation were made, that it would be the present generation in Kingston was a defound that where one man was killed, L. Riel generate one, that there was little interest had been the cause and instrument of saving taken in philanthropic work. He believed many lives. It would be somewhat strange if, after all the abuse that had been heaped upon that there were men who could do such work him, after all the villainous epithets which had | if they would but come forward to do it; but been applied to him, they were to find out it was work which needed earnest, concentrat. of twenty men. It must be remembered that ed thought and labour.
