LEWIS CARVELL,

General Superintendent

The Synod met on Wednesday morning at Huntington charges against the Gevern-10 o'clock in John Street Presbyterian Church, arising out of the Pacific Railway charter,

The Daily News.

FRIDAY EVENING, MAY 9.

The greater part of the day was occupied in considering overtures, on various subjects to as the First Minister of the Government of One was in relation to placing the Theological having the proud consciousness of having markets, and at low rates, to defy competition.

The names of the leading styles, in Felt Goods are the Harcourt, Romeo, Mazeppa, Venetian, Jason Gold, Alvarez, Nippissing, Narrow Gauge, American, Young Gents Style, the Eureal the Canada Harmonian and the widows of deceased ministers and the widows of deceased ministers on the principle of mutual insurance. It proposed that ciple of mutual insurance. It proposed that they enjoyed the confidence of the as many congregations as possible should be people of Canada. When they made, as a induced to agree to pay a certain sum on the simple matter of justice, a request that death of a minister or his retirement from the would be accorded by any court of justice active duties of the ministry on account of known in England or to English justice, to age; and thus mutually to make further pro- postponed until witnesses for the defence vision for them above what is already made by were ready to give evidence, they were the Widew's fund and that of the aged and told by the hon. member for Shefford that infirm ministers fund. The overture was re- he could not afford to do the Government mitted to a committee to consider the subject | justice because he believed they would deal and report at the next meeting of the Synod. with his witnesses. (Laughter and cheers A third was in relation to a special mission at Alexandria, in the county of Glengarry, which gentlemen holding the first positions in the was transmitted to the General Assembly and in that House, but were the We keep nothing but the choicest grades of with the recommendation of the Synod. A veriest criminals brought to the bar, they fourth was on the subject of temperance, pray- could obtain the consent of the court to an ing the General Assembly to petition the application for postponement of the trial House of Commons for a prohibitory liquor But no, says the hon. gentleman, you are law, and that other steps be taken to suppress not to do that, although you may not be the very great evils of intemperance. It was ready, although some witnesses may be

THE PACIFIC RAILWAY CHARGES -GREAT SPEECH OF SIR JOHN

MACDONALD. The following is the speech of Sir John Macdonald delivered on Tuesday night upon the motion of Mr Hillyard Cameron, chairman of the special committee upon the

Belleville, and spent the first hour in devo-tional exercises.

to postpone the inquiry until July, owing to the absence of Sir Geo. Cartier and Mr J. Sir John Macdonold said he stood there from Government benches.) Why, if the sent up to the Assembly. A fifth related to a | absent, although some persons are absent, principal for the Montreal College, praying and those the only persons who can give testimony in favour of the Government, and check, watch and control the evidence, which to use the words of the hon. gentleman had been "got up" by the hon. gentlemoning any one of them, the parties accused, they read a list of witnesses from the hon. gentleman, who had not the manliness to be present at the Committee and make was to all intents and purposes, and he ac-

cepted it as such, an impeachment of the able parentage, and to have numbers of friends Government. The Government were placed in Lordon, and being, as he alone thought, an on their trial. They had the proud satise cellent singer, Le forced his way into two action of having a vote in the House showthree of the church choirs, there to pour ling that the House did not believe the forth his meledious strains. Any information charge. They had the proud satisfaction of respecting him will be gladly received; for had confidence in the Governmet, notwithupon his arrival here again tars and feathers standing the statement of the hon. gentlewill greet him." Hokey ginger! Things must man, and that the hon. gentleman was be awfully befuddled if the Napanee Standard's worthy of all Parliamentary credence, but RECEIVED THIS DAY biography of the facinating swell is accurate worthy of no other credence. (Ministerial cheers.) Although the Government might have rested there, the next day, the mement he had had an interview with his celleagues, he moved this Committee himself. (Cheers.) Now he must go back and speak WRECKING OPERATIONS .- It will be re- with respect to the statement of the hon. membered that on her downward trip last fall. | gentleman that he had been drawn into the steamer York (formerly known as the showing his hand. If the Committee had Huron), ran ashere in a storm on Petticeat sure they would be, after the solemn state-Reef, from which perilous position she was re- ment he had made, that the charge amountscued in a badly damaged condition by the ed to an impeachment of the Gevernment, steamer Hiram A. Calvin, and towed into and he accepted it as a trial of the Governthis port, where after unloading her carge of ment, what should they have done? The flour, she was taken to Garden Island and | moment they had organized the Committee. accused, and not have taken a single prothe hon. gentleman that when the Commttee did meet, he would ask the Committee member of the House, and who was entitled ask the Committee to afford that hon. member (Mr Abbott) an opportunity to defend himself. He had pointed out the mode in which the Committee ought to have proceeded, and before one step was taken it was the duty of the hon, member for Shefoath, and stated what he himself knew, and stain as that of the hon. gentleman himself. The hon, gentleman should have gone into the box and given in evidence the groundwork on which he made his statement in the House, interrupted the business of Parliament, impeached the character of public men and the Government who carried on the business of the country. (Cheers.) Not having the manliness to appear before the committee, he ran away to Montreal. (Laughter.) He, a man who had made a charge against the Government of the country. Sir John having read the letter of Mr Huntington announcing that he (Mr Huntington) had gone to Montreal, pointed out that the letter was not addressed to anyone. He did not know whether it was intended to be addressed to the chairman or to the hon, member for Napierville, but he understood the member for Napier-
